(5) ***The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal.***

(6) Notwithstanding subsection (5) of this section, any health benefit plan in effect on the effective date of this Act may, on any renewal date before September 1, 1998, be renewed for a period less than twelve (12) months if both the policyholder and the insurer agree[~~No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase~~].

(7)[~~(6)~~] At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund to policyholders, enrollees, and subscribers if the commissioner determines that the benefits are no longer reasonable in relation to the premiums or fees charged.

(8) The commissioner shall hold a hearing upon written request by the Attorney General. The request shall include the

specific reason for the requested hearing, the factors in subsection (3) of this section that the request is based on, and documentation from the rate filing supporting the request.

(9) Subsection (2)(a) and (b) of this section shall not apply if the filing is accompanied by a minimum loss ratio guarantee. Insurers may use the premium rates contained in a filing accompanied by a minimum loss ratio guarantee upon filing with the department. Insurers may use the filing procedure specified in this subsection only if the affected policy forms disclose the benefit of a minimum loss ratio. Once an insurer elects to use the filing procedure in this section for a policy form or forms, the insurer shall not use a filing of premium rates which does not provide a minimum guarantee loss ratio for that policy form or forms.

(a) The minimum loss ratio guarantee shall be in writing and shall contain at least the following:

1. An actuarial memorandum specifying the expected loss ratio that complies with the standards as set forth in this section;

2. Detailed experience information concerning the policy form;

3. A step-by-step description of the process used to develop the experience loss ratio;

4. A guarantee of a specific minimum loss ratio, which shall be greater than or equal to the following, taking into consideration adjustments for duration as set forth in administrative regulations promulgated by the commissioner:

a. Sixty-five percent (65%) for policies issued to individuals;

b. Sixty-five percent (65%) for policies issued to groups of two (2) to ten (10) individual members or employees; and

c. Seventy percent (70%) for policies issued to groups of eleven (11) to fifty (50) individual members or employees;

5. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 4. of this paragraph; and

6. If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars ($2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other creditability factors as specified by the commissioner.

(b) The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the commissioner and the Attorney General not later than one hundred twenty (120) days after the end of the year at issue.

(c) The insurer shall refund premiums in the amount necessary to bring the actual aggregate loss ratio up to the guaranteed minimum loss ratio.

(d) A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of December of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from July 1 of the year at issue until the date of payment. Payment shall be made not later than one hundred eighty (180) days after the end of the year at issue.

(e) Premium refunds of less than ten dollars ($10) per insured shall be aggregated by the insurer and paid to the Kentucky comprehensive health insurance plan created in Section 14 of this Act.

(10)[~~(7)~~] ***Each insurer paying a risk assessment under Section 27 of this Act may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.***

(11) The commissioner may by administrative regulation prescribe any additional information ***related to rates, fees, dues and other charges as they relate to the factors set out in subsection (3) of this section*** it deems ***necessary and*** relevant to be included in the filings and the form of the filings required by this section.

[~~(8) Because of the duties of the commissioner imposed under KRS 304.17A-090, the commissioner may, between July 15, 1996, and December 31, 1996, in addition to the thirty (30) day extension allowed under subsection (2) of this section, further extend the waiting period and the time for holding a hearing up to two (2) additional thirty (30) day periods upon thirty (30) days' written notice to the insurer of each extension that the additional periods are necessary due to proper fulfillment of the commissioner's duties under KRS 304.17A-090.~~]

SECTION 9. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after the effective date of this Act shall be subject to the following provisions:

(1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%) of the index rate.

(2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ten percent (10%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, health status, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(3) (a) Notwithstanding subsection (2) of this section, at renewal the insurer may replace modified community rates with rates determined in accordance with subsection (1) of this section.

(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high-risk individuals under modified community rating who at the time of issue had a high-cost condition during the period from July 15, 1995, until the effective date of this Act for a new rating period:

1. Shall not be increased by more than twenty-five percent (25%) on each of the first two (2) renewal dates after the effective date of this Act. Notwithstanding subsection (1) of this section, the plan established under Section 14 of this Act shall reimburse the insurer for any premium loss incurred under this subsection to the extent that funds are available. For the purposes of this subparagraph, the premium loss incurred for each policy renewal period shall be determined as being the premium necessary to provide for the excess claims costs of the high-risk individuals. The excess claims costs equals the excess of the average claims costs for high-risk individuals, less the average claims cost of all other individuals with health benefit plans issued during the period from July 15, 1995, until the effective date of this Act, multiplied by the number of high-risk individuals;

2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after the effective date of this Act; and

3. Shall be subject to subsection (2) of this section on the fourth renewal date after the effective date of this Act and thereafter.

(4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.

(5) The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, health status, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(6) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(7) The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness

for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than twenty percent (20%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(8) Adjustments in rates for claims experience, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(9) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network, if utilization of the restricted provider network results in substantial differences in claims costs.

(10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of individuals with high-cost conditions enrolled in its plans to develop the insurer's index rate for its individual policies including the ability to establish a separate class of business.

(11) Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

SECTION 10. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section:

(a) "Base premium rate" has the meaning provided in Section 1 of this Act.

(d) "Employer-organized association health insurance plan" means any health insurance plan, policy, or contract issued to an employer-organized association, or to a trust established by one (1) or more employer-organized associations, or providing coverage solely for the employees, retired employees, directors and their spouses and dependents of the members of one (1) or more employer-organized associations.

(e) "Index rate" has the meaning provided in Section 1 of this Act.

(f) "Insurer-controlled" means that the commissioner has found, in an administrative hearing called specifically for that purpose, that an insurer has or had a substantial involvement in the organization or day-to-day operation of the entity for the principal purpose of creating a device, arrangement, or scheme by which the insurer segments employer groups according to their actual or anticipated health status or actual or projected health insurance premiums.

(2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

(3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:

(a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than twenty-five percent (25%) of its own index rate.

(b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period may not exceed the sum of the following:

1. The percentage change in the new business premium rate for the employer-organized association measured from the first day of the prior rating period to the first day of the new rating period;

2. Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating period of less than one (1) year, due to the claims experience, health status, or duration of coverage of the member as determined from the insurer's rate manual; and

3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.

(4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network result in measurable differences in claims costs.

SECTION 11. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The commissioner shall take necessary and appropriate actions to terminate all activities of the alliance no later than December 31, 1998, and shall provide assistance to persons who are members of the alliance in obtaining health insurance coverage in the private market. (2) (a) The plan shall operate under the supervision and approval of the board. The board shall consist of the commissioner or the commissioner's designee, who shall serve as an ex officio member of the board, and nine (9) members appointed by the Governor. Two (2) board members shall be individuals, or the parent, spouse, or relative of individuals, reasonably expected to qualify for coverage by the plan. (6) Establish and update annually provider reimbursement rates that assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available under the plan at least to the extent that such care and services are available to the general population. The board shall not authorize contracts that allow health care providers to bill insureds in the plan for services covered and authorized under the plan in excess of that amount.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(2) The administering insurer may serve for a period of three (3) years. At least one (1) year prior to the expiration of each three (3) year period of service by an administering insurer, the board shall invite all insurers, including the current administering insurer, to submit bids to serve as the administering insurer for the succeeding three (3) year period. The selection of the administering insurer for the succeeding three (3) year period shall be made at least nine (9) months prior to the end of the current three (3) year period, and the board shall provide for an appropriate transition between the current administering insurer and its successor for a period of not fewer than three (3) months.

(3) The administering insurer shall:

(a) Perform all eligibility and administrative claims-payment functions relating to the plan;

(b) Pay an agent's referral fee as established by the board to each agent who refers an applicant to the plan, if the applicant is accepted. The selling or marketing of the plan shall not be limited to the administering insurer or its agents. The referral fees shall be paid by the administering insurer from moneys received as premiums for the plan;

(c) Establish a premium billing procedure for collection of premiums from persons insured under the plan;

(d) Perform all necessary functions to assure timely payment of benefits to covered persons under the plan, including, but not limited to, the following:

3. Notifying each claimant within thirty (30) days after receiving a properly completed and executed proof of loss whether the claim is accepted, rejected, or compromised;

(e) Submit regular reports to the board regarding the operation and financial condition of the plan. The frequency, content, and form of the reports shall be determined by the board. Financial condition shall be reported at least monthly to the board; and

(f) Following the close of each calendar year, determine net premiums, reinsurance premiums less administrative expenses allowance, the expense of administration pertaining to the reinsurance operations of the plan, and the incurred losses for the year, and report this information to the board and to the commissioner.

(4) (a) The administering insurer shall be paid, as provided in the contract of the plan, for its direct and indirect expenses in administering the plan. The amount paid under this paragraph shall not exceed twenty percent (20%) of the premium over the life of the contract.

(b) As used in this subsection, the term "direct and indirect expenses" includes the portion of the audited administrative costs, printing expenses, claims administration expenses, management expenses, building overhead expenses, and other actual operating and administrative expenses of the administering insurer that are approved by the board as allocable to the administration of the plan and included in the bid specifications.

(2) The board may revise the fixed schedule of benefits and cost containment features provided under the plan as necessary to ensure that the plan maintains adequate resources for continued operation.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(b) Plans shall be filed with and approved by the commissioner. At least one (1) plan shall be offered in a

traditional fee-for-service form and, in areas where managed care plans are available, at least one (1) plan shall be offered in a managed care form.

(c) The board shall provide some form of utilization review and case management on indemnity plans. The board shall periodically compare health benefit plans in the Kentucky comprehensive health insurance plan to health benefit plans in the marketplace.

(d) Health benefit plans may be amended or replaced as determined by the board and shall be filed with and approved by the commissioner.

(e) Any person whose health insurance is involuntarily terminated for any reason other than a factor described in subsection (2)(a), (b), and (c) of Section 5 of this Act may apply for coverage under the plan. If the coverage is applied for within sixty-three (63) days after the involuntary termination, and if premiums are paid for the first month of coverage after issuance, the effective date of the coverage shall be the date of the application or date of termination of the previous coverage, whichever is later.

(f) The plan shall provide that, upon the death or divorce of the individual in whose name the contract was issued, every other person covered in the contract may elect within sixty-three (63) days to continue under the same or a different contract.

(h) Benefits otherwise payable under plan coverage shall be reduced by all amounts paid or payable through any other health insurance, and by all hospital and medical expense benefits paid or payable under any workers' compensation coverage, automobile medical payment or liability insurance, and by any hospital or medical benefits paid or payable under or provided under any state or federal law or program except Medicaid. The plan shall have a cause of action against an eligible person for the recovery of the amount of benefits paid that are not for covered expenses. Benefits due from the plan may be reduced or refused as a set-off against any amount recoverable under this subsection.

(2) (a) The plan shall offer insurance coverage provided for in subsection (1) of this section up to a lifetime limit of one million dollars ($1,000,000) per covered individual. The maximum limit under this paragraph shall not be altered by the board, and no actuarially equivalent benefit may be substituted by the board.

2. For persons without previous continuous coverage as set out in subparagraph 1. of this paragraph, the rates for plan coverage shall be no more than one hundred fifty percent (150%) of rates established as applicable for individual standard risks.

Initial rates for plan coverage shall not be less than one hundred twenty-five percent (125%) of rates established as applicable for individual standard risks.

(h) The board shall have a cause of action against a participant for any benefits paid to a participant that should not have been claimed or recognized as claims because of other insurance, or because otherwise not covered.

All expense and revenue transactions of the fund shall be posted to the state accounting and reporting system (STARS), and its successors.

(2) If premiums or other receipts exceed the amount required for the operation of the plan, including actual losses and administrative expenses of the plan, the board shall direct that the excess be held at interest, in a single depository designated in accordance with KRS 304.8-090(1) under a trust agreement in accordance with KRS 304.8-095, or used to offset future losses or to reduce plan premiums. In this subsection, "future losses" includes reserves for incurred but not reported claims.

(3) For the purposes of this section, a deficit shall be incurred when anticipated costs, losses, and incurred but not reported claims expenses exceed anticipated income from earned premiums net of administrative expenses.

SECTION 24. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All premium taxes collected under KRS Chapter 136 from any insurer, and any retaliatory taxes collected under KRS 304.3-270 from any insurer, for accident and health premiums in excess of the premium taxes and retaliatory taxes collected for the calendar year 1997 shall be remitted to the board by the Revenue Cabinet and used for the benefit of the plan.

SECTION 25. A NEW SECTION OF SUBTITLE 49 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The plan and the board shall be exempt from all taxes levied by the state or any of its subdivisions.

SECTION 26. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Beginning with the regular session of the General Assembly in the year 2000, sixty (60) days prior to that session and each subsequent regular session of the General Assembly, the commissioner shall submit a written report to the Legislative Research Commission. The report shall contain an evaluation of the plan, an evaluation of issues concerning high-risk individuals, and recommendations for establishing alternative means of coverage for those individuals in addition to, or as an alternative to, the Kentucky comprehensive health insurance plan.

(2) Beginning no later than January 1, 1999, and annually thereafter, the Auditor of Public Accounts shall be responsible for an audit of the plan, and the costs of the audit shall be borne by the plan. Within sixty (60) days of completion of the audit, the Auditor of Public Accounts shall submit a copy of the audit to the Legislative Research Commission and the Department of Insurance.

Section 27. KRS 304.17A-130 is amended to read as follows:

(1) The ***commissioner of the*** Department of Insurance shall ***establish***[~~implement the administrative regulations promulgated by the Kentucky Health Policy Board for the establishment of~~] a risk adjustment process to be used in ***collecting and distributing funds from all insurers doing health insurance business in Kentucky for the purpose of*** equalizing risk between insurers ***and***[~~which participate within and outside of~~] the Kentucky ***comprehensive health insurance plan***[~~Health Purchasing Alliance~~].

(2) The risk adjustment process shall[~~ at minimum~~] be based on ***a percentage of health insurance premiums written during the assessment period and shall be designed to produce an assessment in an amount sufficient to offset the***[~~gender, retiree status, continuation status, and medical condition information which represent the relative risk of individuals participating with various insurers. The process shall not base adjustment for insurers on their individual premiums, administrative expenses, claims, or use of health care services. Preset amounts shall be established to reflect the demographic and~~] medical risk characteristics ***and costs*** of individuals enrolled ***in and other liabilities of the Kentucky comprehensive health insurance plan. (3) On or before March 31 of 1998, and each March 31 thereafter, the plan shall certify to the commissioner the balance of funds in the Kentucky comprehensive health insurance plan as of December 31 preceding. If the certification indicates the plan has a deficit, the commissioner shall assess the insurers based on percentage of

health insurance premiums written during the assessment period subject to the limitations in subsection (2) of this section. To the extent the assessment collected under subsection (2) of this section, the tax collected under Section 24 of this Act, and the general funds appropriated under Section 62 of this Act are not sufficient to offset the losses and administrative expenses of the Kentucky comprehensive health insurance plan, the commissioner shall assess the insurers an amount not to exceed the amount under subsection (2) of this section. Kentucky Comprehensive Health Insurance Plan.

(6) Insurers who issued health benefit plans to persons under the state employee health care buy-in as set out in KRS 18A.2251 shall report to the board of the Kentucky Comprehensive Health Insurance Plan, the commissioner of the Department of Insurance, and the Legislative Research Commission on a quarterly basis the following information related to persons who are covered under KRS 18A.2251:

(8) A person other than a state employee who fails to renew a policy under this section shall no longer be eligible to purchase the state employee plan.

SECTION 29. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 29 to 42 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;

2. Serious impairment to bodily functions; or

3. Serious dysfunction of any bodily organ or part; or

(b) With respect to a pregnant woman who is having contractions:

1. A situation in which there is inadequate time to effect a safe transfer to another hospital before delivery; or

2. A situation in which transfer may pose a threat to the health or safety of the woman or the unborn child.

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval

granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph shall not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered experimental or investigational;

(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

(c) Demonstrated evidence as reflected in the published peer-review medical literature shall exist that over time the technology leads to improvement in health outcomes, such as the beneficial effects outweigh any harmful effects;

(d) Proof as reflected in the published peer-reviewed medical literature shall exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

(e) Proof as reflected in the published peer-reviewed medical literature shall exist that improvements in health outcomes, as defined in paragraph (c) of this subsection, is possible in standard conditions of medical practice, outside clinical investigatory settings;

(6) "Grievance" means a written complaint submitted by or on behalf of an enrollee;

(7) "Health insurance policy" means "health benefit plan" as defined in Section 1 of this Act;

(8) "Insurer" has the meaning provided in Section 1 of this Act;

(9) "Managed care plan" means a health insurance policy that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers who are selected to participate on the basis of explicit standards to furnish a comprehensive set of health care services and financial incentives for covered persons to use the participating providers and procedures provided for in the plan;

(10) "Participating health care provider" means a health care provider that has entered into an agreement with an insurer to provide health care services to an enrollee in its managed care plan;

(11) "Quality assurance or improvement" means the ongoing evaluation by a managed care plan of the quality of health care services provided to its enrollees;

(12) "Record" means any written, printed, or electronically recorded material maintained by a provider in the course of providing health services to a patient concerning the patient and the services provided. "Record" also includes the substance of any communication made by a patient to a provider in confidence during or in connection with the provision of health services to a patient or information otherwise acquired by the provider about a patient in confidence and in connection with the provision of health services to a patient; and

(13) "Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the plan. The system may include: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures, and retrospective review.

(b) An adequate number of accessible primary care providers, including family practice and general practice physicians, internists, obstetricians/gynecologists, and pediatricians, where available;

(c) An adequate number of accessible specialists and subspecialists, and when the specialist needed for a specific condition is not represented on the plan's list of participating specialists, enrollees have access to nonparticipating health care providers with prior plan approval;

(d) The availability of specialty services; and

(e) A provider network that is available to all persons enrolled in the plan within thirty (30) miles or thirty (30) minutes of each person's place of residence, to the extent those services are available.

(2) A managed care plan shall provide telephone access to the plan during business hours to ensure plan approval of nonemergency care. A managed care plan shall provide adequate information to enrollees regarding access to urgent and emergency care.

(3) A managed care plan shall establish reasonable standards for waiting times to obtain appointments, except as provided for emergency care.

(4) A managed care plan shall cover emergency-room screening and stabilization without prior authorization as needed for conditions that reasonably appear to constitute an emergency medical condition, based on the patient's presenting symptoms. To promote continuity of care and optimal care by the treating physician, the emergency department should contact the patient's primary care physician as soon as possible.

SECTION 33. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An enrollee shall have adequate choice among participating primary care providers in a managed care plan who are accessible and qualified.

Standards shall be reasonably related to services provided. Selection or participation standards based on the economics or capacity of a provider's practice shall be adjusted to account for case mix, severity of illness, patient age and other features that may account for higher-than- or lower-than-expected costs. All data profiling or other data analysis pertaining to participating providers shall be done in a manner which is valid and reasonable. Plans shall not use criteria that would allow an insurer to avoid high-risk populations by excluding providers because they are located in geographic areas that contain populations or providers presenting a risk of higher-than-average claims, losses, or health services utilization or that would exclude providers because they treat or specialize in treating populations presenting a risk of higher-than-average claims, losses, or health services utilization.

(2) Each insurer shall establish mechanisms for soliciting and acting upon applications for provider participation in the plan in a fair and systematic manner. These mechanisms shall, at a minimum, include:

(a) Allowing all providers who desire to apply for participation in the plan an opportunity to apply at any time during the year or, where an insurer does not conduct open continuous provider enrollment, conducting a provider enrollment period at least annually with the date publicized to providers located in the geographic service area of the plan at least thirty (30) days in advance of the enrollment periods; and

(b) Making criteria for provider participation in the plan available to all applicants.

(3) If a managed care plan terminates the participation of an enrollee's primary care provider, the plan shall provide notice to the enrollee and arrange for the enrollee's continuity of care with an approved primary care provider.

(4) An insurer that offers a managed care plan shall establish a policy governing the removal of and withdrawal by health care providers from the provider network that includes the following:

(a) The insurer shall inform a participating health care provider of the insurer's removal and withdrawal policy at the time the insurer contracts with the health care provider to participate in the provider network, and when changed thereafter;

(b) If a participating health care provider's participation will be terminated or withdrawn prior to the date of the termination of the contract as a result of a professional review action, the insurer and participating health

care provider shall comply with the standards in 42 U.S.C. sec. 11112; and

(c) If the insurer finds that a health care provider represents an imminent danger to an individual patient or to the public health, safety, or welfare, the medical director shall promptly notify the appropriate professional state licensing board.

SECTION 35. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A managed care plan may not contract with a health care provider to limit the provider's disclosure to an enrollee, or to another person on behalf of an enrollee, of any information relating to the enrollee's medical condition or treatment options.

(2) A health care provider shall not be penalized, or a health care provider's contract with a managed care plan terminated, because the provider discusses medically necessary or appropriate care with an enrollee or another person on behalf of an enrollee.

(a) The health care provider may not be prohibited by the plan from discussing all treatment options with the enrollee.

(b) Other information determined by the health care provider to be in the best interests of the enrollee may be disclosed by the provider to the enrollee, or to another person on behalf of an enrollee.

(a) Retrospective review of prescription drugs furnished to enrollees;

(b) Education of health care providers and enrollees regarding the appropriate use of prescription drugs; and

(c) Ongoing periodic examination of data on outpatient prescription drugs to ensure quality therapeutic outcomes for enrollees.

(2) The drug utilization review program shall utilize the following to effectuate the purposes of subsection (1) of this section:

(a) Relevant clinical criteria and standards for drug therapy;

(b) Nonproprietary criteria and standards developed and revised through input from participating health care providers;

(c) Intervention that focuses on improving therapeutic outcomes; and

(d) Measures to ensure the confidentiality of the relationship between an enrollee and a health care provider.

(3) When, in the professional opinion of a provider with prescriptive authority, a provider determines that generic substitution of a pharmaceutical product is medically inappropriate, the provider shall prescribe the pharmaceutical product the provider determines medically appropriate with the indication "Do Not Substitute" and no substitution shall be made without the physician's approval.

SECTION 38. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A managed care plan shall appoint a medical director who is a physician licensed to practice in Kentucky or a

contiguous state, and who shall be responsible for the treatment policies, protocols, quality assurance activities, and utilization management decisions of the plan.

(2) The medical director shall ensure that:

(a) Any utilization management decision to deny, reduce, or terminate a health care benefit or to deny payment for a health care service, because that service is not medically necessary, shall be made by a physician;

(b) A utilization management decision shall not retrospectively deny coverage for health care services provided to a covered person when prior approval has been obtained from the insurer for those services, unless the approval was based upon fraudulent, materially inaccurate, or misrepresented information submitted by the covered person or the participating provider;

(c) In the case of a managed care plan, a procedure is implemented whereby participating physicians have an opportunity to review and comment on all medical and surgical protocols, respectively, of the insurer and whereby other participating providers have an opportunity to review and comment on all of the insurer's protocols that are within the provider's legally authorized scope of practice;

(d) The utilization management program is available to respond to authorization requests for urgent services and is available, at a minimum, during normal working hours for inquiries and authorization requests for nonurgent health care services; and

(e) In the case of a managed care plan, a covered person is permitted to choose or change a primary care provider from among participating providers in the provider network, and, when appropriate, choose a specialist from among participating network providers following an authorized referral, if required by the insurer, and subject to the ability of the specialist to accept new patients.

(3) A managed care plan shall develop comprehensive quality assurance or improvement standards adequate to identify, evaluate, and remedy problems relating to access, continuity, and quality of health care services. These standards shall be made available to the public during regular business hours and include:

(c) The insured has engaged in intentional and abusive noncompliance with health benefit plan provisions.

(d) The insurer is ceasing to offer coverage in the individual or group market in accordance with subsection (3) of this section.

(e) In the case of an insurer that offers health benefit plans through a network plan, the individual no longer resides, lives, or works in the service area or in an area for which the insurer is authorized to do business, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals, or there is no longer any enrollee in connection with the group plan who resides, lives, or works in the service area of the insurer.

(f) In the case of a health benefit plan that is made available only through one (1) or more bona fide associations, the membership of the individual or employer in the association on the basis of which the coverage is provided ceases, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

(4) Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under Sections 2 to 5 of this Act.

(5) If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, that health insurer shall pay the plan's established rate for those services to the health department.

(6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant;

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for one (1) year, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(11) A self-insured plan may select any third party administrator licensed under KRS 304.9-052 to adjust or settle claims for persons covered under the self-insured plan.

(12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an insured shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision and a statement setting forth the specific medical and scientific reasons for refusing to issue a plan.

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after the effective date of this Act shall be subject to the following provisions:

(1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%) of the index rate.

(2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ten percent (10%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, health status, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(3) (a) Notwithstanding subsection (2) of this section, at renewal the insurer may replace modified community rates with rates determined in accordance with subsection (1) of this section.

(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high-risk individuals under modified community rating during the period from July 15, 1995, until the effective date of this Act for a new rating period:

1. Shall not be increased by more than twenty-five percent (25%) on each of the first two (2) renewal dates after the effective date of this Act notwithstanding subsection (1) of this section. The plan established under Section 14 of this Act shall reimburse the insurer for any premium loss incurred during the first two (2) policy renewals under this subsection to the extent that funds are available. For the purposes of this subparagraph, the premium loss incurred for each policy renewal period shall be determined as being the premium necessary to provide for the excess claims costs of the high-risk individuals. The excess claims costs equals the excess of the average claims costs for high-risk individuals, less the average claims cost of all other individuals with health benefit plans issued during the period from July 15, 1995, until the effective date of this Act, multiplied by the number of high-risk individuals;

2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after the effective date of this Act; and

3. Shall be subject to subsection (2) of this section on the fourth renewal date after the effective date of this Act and thereafter.

(4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate.

(5) The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, health status, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(6) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(7) The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness

for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than twenty percent (20%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(8) Adjustments in rates for claims experience, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(9) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network, if utilization of the restricted provider network results in substantial differences in claims costs.

(10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of high-risk individuals enrolled in its plans to develop the insurer's index rate for its individual policies including the ability to establish a separate class of business.

(11) Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

(12) For the purposes of subsections (3) and (10) of this section, high risk individuals are defined as individuals who enrolled in a modified community rated health benefit plan in the individual market and, at the time of enrollment, had a condition that would have caused the individual to be denied coverage under the insurer's underwriting guidelines in place immediately prior to July 15, 1995.

SECTION 10. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section:

(a) "Base premium rate" has the meaning provided in Section 1 of this Act.

(b) "Employer" means a person engaged in a trade or business who has two (2) or more employees within the state in each of twenty (20) or more calendar weeks in the current or preceding calendar year.

(c) "Employer-organized association" means any of the following:

2. An entity organized under KRS 247.240 to 247.370 that has actively marketed health insurance to its members and which is not insurer-controlled; or

3. Any entity which is a bona fide association as defined in 42 U.S.C. sec. 300gg-91(d)(3), whose members consist principally of employers, and for which the entity's health insurance decisions are made by a board or committee the majority of which are representatives of employer members of the entity who obtain group health insurance coverage through the entity or through a trust or other mechanism established by the entity, and whose health insurance decisions are reflected in written minutes or other written documentation.

(d) "Employer-organized association health insurance plan" means any health insurance plan, policy, or contract issued to an employer-organized association, or to a trust established by one (1) or more employer-organized associations, or providing coverage solely for the employees, retired employees, directors and their spouses and dependents of the members of one (1) or more employer-organized associations.

(e) "Index rate" has the meaning provided in Section 1 of this Act.

(f) "Insurer-controlled" means that the commissioner has found, in an administrative hearing called specifically for that purpose, that an insurer has or had a substantial involvement in the organization or day-to-day operation of the entity for the principal purpose of creating a device, arrangement, or scheme by which the insurer segments employer groups according to their actual or anticipated health status or actual or projected health insurance premiums.

(2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon

the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

(3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:

- *(a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than twenty-five percent (25%) of its own index rate.*
- *(b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period may not exceed the sum of the following:*
  - *1. The percentage change in the new business premium rate for the employer-organized association measured from the first day of the prior rating period to the first day of the new rating period;*
  - *2. Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for a rating period of less than one (1) year, due to the claims experience, health status, or duration of coverage of the member as determined from the insurer's rate manual; and*
  - *3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.*

(4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network result in measurable differences in claims costs.

(3) (a) No person who is eligible for health care benefits under any federal or state program providing financial assistance or preventive and rehabilitative social services shall be eligible under the plan.

(b) No person who is covered under the plan and who terminates coverage shall be again eligible for coverage unless twelve (12) months have elapsed since the coverage was terminated. The twelve (12) month waiting period shall not apply to dependents who had coverage under the policy of the person terminating coverage.

(c) No person on whose behalf the plan has paid out one million dollars ($1,000,000) in covered benefits shall be eligible for coverage under the plan. However, upon application to the board, the individual may purchase, at an actuarially justified rate, additional coverage through the plan.

The board shall not authorize contracts that allow health care providers to bill insureds in the plan for services covered and authorized under the plan in excess of that amount.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(f) Following the close of each calendar year, determine net premiums, reinsurance premiums less administrative expenses allowance, the expense of administration pertaining to the reinsurance operations of the plan, and the incurred losses for the year, and report this information to the board and to the commissioner.

(4) (a) The administering insurer shall be paid, as provided in the contract of the plan, for its direct and indirect expenses in administering the plan. The amount paid under this paragraph shall not exceed twenty percent (20%) of the premium over the life of the contract.

(b) As used in this subsection, the term "direct and indirect expenses" includes the portion of the audited administrative costs, printing expenses, claims administration expenses, management expenses, building overhead expenses, and other actual operating and administrative expenses of the administering insurer that are approved by the board as allocable to the administration of the plan and included in the bid specifications.

(2) The board may revise the fixed schedule of benefits and cost containment features provided under the plan as necessary to ensure that the plan maintains adequate resources for continued operation.

The maximum limit under this paragraph shall not be altered by the board, and no actuarially equivalent benefit may be substituted by the board.

(b) The schedule of premiums and deductibles shall be established by the board.

(c) Rates for plan coverage shall be determined as follows:

1. For persons who had previous health insurance coverage and the previous coverage was continuous for the twelve (12) months immediately preceding a date sixty-three (63) days prior to application to the plan, the rates for plan coverage shall be no more than one hundred thirty-five percent (135%) of rates established as applicable for individual standard risks.

2. For persons without previous continuous coverage as set out in subparagraph 1. of this paragraph, the rates for plan coverage shall be no more than one hundred fifty percent (150%) of rates established as applicable for individual standard risks.

3. Rates for supplemental policies offered by the plan shall not exceed the rate for the standard risk if the service covered by the supplemental policy is not related to any condition arising out of the covered person's medical condition.

Initial rates for plan coverage shall not be less than one hundred twenty-five percent (125%) of rates established as applicable for individual standard risks.

(h) The board shall have a cause of action against a participant for any benefits paid to a participant that should not have been claimed or recognized as claims because of other insurance, or because otherwise not covered.

All expense and revenue transactions of the fund shall be posted to the state accounting and reporting system (STARS), and its successors.

(2) If premiums or other receipts exceed the amount required for the operation of the plan, including actual losses and administrative expenses of the plan, the board shall direct that the excess be held at interest, in a single depository designated in accordance with KRS 304.8-090(1) under a trust agreement in accordance with KRS 304.8-095, or used to offset future losses or to reduce plan premiums. In this subsection, "future losses" includes reserves for incurred but not reported claims.

The report shall contain an evaluation of the plan, an evaluation of issues concerning high-cost individuals, and recommendations for establishing alternative means of coverage for those individuals in addition to, or as an alternative to, the Kentucky comprehensive health insurance plan. In order to determine the effectiveness of the plan in providing access and affordable insurance to high-cost individuals, the commissioner shall collect data to determine:

(a) The number of high-cost individuals enrolled in the plan;

(b) The reasons that individuals enrolled in the plan;

(c) Whether the enrollees had prior coverage in any plan during the preceding twelve (12) months and the average premium cost for that coverage; and

(d) The reasons that any plan enrollees terminated coverage in the plan.

(2) Beginning no later than January 1, 1999, and annually thereafter, the Auditor of Public Accounts shall be responsible for an audit of the plan, and the costs of the audit shall be borne by the plan. Within sixty (60) days of completion of the audit, the Auditor of Public Accounts shall submit a copy of the audit to the Legislative Research Commission and the Department of Insurance.

Section 27. KRS 304.17A-130 is amended to read as follows:

(1) The ***commissioner of the*** Department of Insurance shall ***establish***[~~implement the administrative regulations promulgated by the Kentucky Health Policy Board for the establishment of~~] a risk adjustment process to be used in ***collecting and distributing funds from all insurers doing health insurance business in Kentucky for the purpose of*** equalizing risk between insurers ***and***[~~which participate within and outside of~~] the Kentucky ***comprehensive health insurance plan***[~~Health Purchasing Alliance~~].

(2) The risk adjustment process shall[~~ at minimum~~] be based on ***a percentage of health insurance premiums written during the assessment period and shall be designed to produce an assessment in an amount sufficient to offset the***[~~gender, retiree status, continuation status, and medical condition information which represent the relative risk of individuals participating with various insurers. The process shall not base adjustment for insurers on their individual premiums, administrative expenses, claims, or use of health care services. Preset amounts shall be established to reflect the demographic and~~] medical risk characteristics ***and costs*** of individuals enrolled ***in and other liabilities of the Kentucky comprehensive health insurance plan. This assessment when added to the tax revenue paid in the plan under Section 24 of this Act shall not exceed the anticipated losses and administrative expenses of the fund.***[~~by insurers.~~

~~(3)~~]The risk adjustment ***for the calendar year 1998***[~~process~~] shall be ***designed to produce an assessment in an amount not to exceed the amount collected under the administrative regulation promulgated by the Kentucky Health Policy Board for the twelve (12) month period immediately preceding the effective date of this Act. (3) Beginning in calendar year 1998, and every calendar year thereafter, the commissioner shall assess the insurers each calendar year based upon the percentage of health insurance premiums written during the assessment period, subject to the percentage limitation established in subsection (2) of this section.

generated from the assessment imposed under subsection (3) of this section. All insurers shall submit information designated by the department as necessary to administer the risk adjustment process. SECTION 29. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 29 to 42 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;

2. Serious impairment to bodily functions; or

3. Serious dysfunction of any bodily organ or part; or

(b) With respect to a pregnant woman who is having contractions:

1. A situation in which there is inadequate time to effect a safe transfer to another hospital before delivery; or

2. A situation in which transfer may pose a threat to the health or safety of the woman or the unborn child.

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or

condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph shall not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered experimental or investigational;

(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

(c) Demonstrated evidence as reflected in the published peer-review medical literature shall exist that over time the technology leads to improvement in health outcomes, such as the beneficial effects outweigh any harmful effects;

(d) Proof as reflected in the published peer-reviewed medical literature shall exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

(e) Proof as reflected in the published peer-reviewed medical literature shall exist that improvements in health outcomes, as defined in paragraph (c) of this subsection, is possible in standard conditions of medical practice, outside clinical investigatory settings;

(6) "Grievance" means a written complaint submitted by or on behalf of an enrollee;

(7) "Health insurance policy" means "health benefit plan" as defined in Section 1 of this Act;

(8) "Insurer" has the meaning provided in Section 1 of this Act;

(9) "Managed care plan" means a health insurance policy that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers who are selected to participate on the basis of explicit standards to furnish a comprehensive set of health care services and financial incentives for covered persons to use the participating providers and procedures provided for in the plan;

(10) "Participating health care provider" means a health care provider that has entered into an agreement with an insurer to provide health care services to an enrollee in its managed care plan;

(11) "Quality assurance or improvement" means the ongoing evaluation by a managed care plan of the quality of health care services provided to its enrollees;

(12) "Record" means any written, printed, or electronically recorded material maintained by a provider in the course of providing health services to a patient concerning the patient and the services provided. "Record" also includes the substance of any communication made by a patient to a provider in confidence during or in connection with the provision of health services to a patient or information otherwise acquired by the provider about a patient in confidence and in connection with the provision of health services to a patient; and

(13) "Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the plan. The system may include: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures, and retrospective review.

(c) An adequate number of accessible specialists and subspecialists, and when the specialist needed for a specific condition is not represented on the plan's list of participating specialists, enrollees have access to nonparticipating health care providers with prior plan approval;

(d) The availability of specialty services; and

(e) A provider network that is available to all persons enrolled in the plan within thirty (30) miles or thirty (30) minutes of each person's place of residence, to the extent those services are available.

(2) A managed care plan shall provide telephone access to the plan during business hours to ensure plan approval of

nonemergency care. A managed care plan shall provide adequate information to enrollees regarding access to urgent and emergency care.

(3) A managed care plan shall establish reasonable standards for waiting times to obtain appointments, except as provided for emergency care.

(4) A managed care plan shall cover emergency-room screening and stabilization without prior authorization as needed for conditions that reasonably appear to constitute an emergency medical condition, based on the patient's presenting symptoms. Standards shall be reasonably related to services provided. Selection or participation standards based on the economics or capacity of a provider's practice shall be adjusted to account for case mix, severity of illness, patient age and other features that may account for higher-than- or lower-than-expected costs. All data profiling or other data analysis pertaining to participating providers shall be done in a manner which is valid and reasonable. Plans shall not use criteria that would allow an insurer to avoid high-risk populations by excluding providers because they are located in geographic areas that contain populations or providers presenting a risk of higher-than-average claims, losses, or health services utilization or that would exclude providers because they treat or specialize in treating populations presenting a risk of higher-than-average claims, losses, or health services utilization.

(2) Each insurer shall establish mechanisms for soliciting and acting upon applications for provider participation in the plan in a fair and systematic manner. These mechanisms shall, at a minimum, include:

(a) Allowing all providers who desire to apply for participation in the plan an opportunity to apply at any time during the year or, where an insurer does not conduct open continuous provider enrollment, conducting a provider enrollment period at least annually with the date publicized to providers located in the geographic service area of the plan at least thirty (30) days in advance of the enrollment periods; and

(b) Making criteria for provider participation in the plan available to all applicants.

(3) If a managed care plan terminates the participation of an enrollee's primary care provider, the plan shall provide notice to the enrollee and arrange for the enrollee's continuity of care with an approved primary care provider.

(4) An insurer that offers a managed care plan shall establish a policy governing the removal of and withdrawal by health care providers from the provider network that includes the following:

(a) The insurer shall inform a participating health care provider of the insurer's removal and withdrawal policy at the time the insurer contracts with the health care provider to participate in the provider network, and when changed thereafter;

(b) If a participating health care provider's participation will be terminated or withdrawn prior to the date of the termination of the contract as a result of a professional review action, the insurer and participating health care provider shall comply with the standards in 42 U.S.C. sec. 11112; and

(c) If the insurer finds that a health care provider represents an imminent danger to an individual patient or to the public health, safety, or welfare, the medical director shall promptly notify the appropriate professional

state licensing board.

SECTION 35. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(b) Education of health care providers and enrollees regarding the appropriate use of prescription drugs; and

(c) Ongoing periodic examination of data on outpatient prescription drugs to ensure quality therapeutic outcomes for enrollees.

contiguous state, and who shall be responsible for the treatment policies, protocols, quality assurance activities, and utilization management decisions of the plan.

(2) The medical director shall ensure that:

(a) Any utilization management decision to deny, reduce, or terminate a health care benefit or to deny payment for a health care service, because that service is not medically necessary, shall be made by an independent practicing practitioner as defined in Section 1(11) of this Act, who is of the same profession and in the same scope of practice as the provider rendering the medical care benefit or health care service in question;

(b) A utilization management decision shall not retrospectively deny coverage for health care services provided to a covered person when prior approval has been obtained from the insurer for those services, unless the approval was based upon fraudulent, materially inaccurate, or misrepresented information submitted by the covered person or the participating provider;

(c) In the case of a managed care plan, a procedure is implemented whereby participating physicians have an opportunity to review and comment on all medical and surgical protocols, respectively, of the insurer and whereby other participating providers have an opportunity to review and comment on all of the insurer's protocols that are within the provider's legally authorized scope of practice;

(4) Each managed care plan shall have a process for the selection of health care providers who will be on the plan's list of participating providers, with written policies and procedures for review and approval used by the plan.

(a) The plan shall establish minimum professional requirements for participating health care providers. An insurer may not discriminate against a provider solely on the basis of the provider's license by the state.

(b) The plan shall demonstrate that it has consulted with appropriately qualified health care providers to establish the minimum professional requirements.

(c) The plan's selection process shall include verification of each health care provider's license, history of license suspension or revocation, and liability claims history.

(d) A managed care plan shall establish a formal written, ongoing process for the reevaluation of each participating health care provider within a specified number of years after the provider's initial acceptance into the plan. The reevaluation shall include an update of the previous review criteria and an assessment of the provider's performance pattern based on criteria such as enrollee clinical outcomes, number of complaints, and malpractice actions.

The corporation shall allocate the amount to be paid by the corporation to prize winners. The amount in the corporate operating account which the corporation anticipates will be available for the payment of prizes on an annuity basis, may be invested in direct United States Treasury obligations. These instruments may be in varying maturities with respect to payment of annuities and may be in book-entry form. Monthly, no later than the last business day of the succeeding month, the corporation shall transfer to a lottery trust fund the amount of net revenues which the corporation determines are surplus to its needs. These funds shall be held in trust until 1990 at which time the General Assembly shall determine the manner in which the funds will be allocated and appropriated. The net revenues shall be determined by deducting from gross revenues the payment costs incurred in the operation and administration of the lottery, including the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the start-up costs are paid, it is the intent of the Legislature that it shall be the goal of the corporation to transfer each year thirty-five percent (35%) of gross revenues to the general fund for the purposes stated above.

(2) A Kentucky lottery trust account is established in the State Treasury. Net lottery revenues shall be credited to this restricted account as provided in subsection (1) of this section. Moneys credited to the Kentucky lottery trust account shall be invested by the state in accordance with state investment practices and all earnings from the investments shall accrue to this account. No moneys shall be allotted or expended from this account unless pursuant to an appropriation by the General Assembly, except that moneys as are needed shall be transferred to the general fund pursuant to the provisions of the Acts of the Extraordinary Session of the 1988 General Assembly. Moneys in the Kentucky lottery trust account shall not lapse at the close of the state fiscal year.

(3) The Auditor of Public Accounts shall be responsible for a financial postaudit of the books and records of the corporation. The postaudit shall be conducted in accordance with generally accepted accounting principles, shall be paid for by the corporation, and shall be completed within ninety (90) days of the close of the corporation's fiscal year. The Auditor of Public Accounts shall contract with an independent, certified public accountant who meets the qualifications existing to do business within the Commonwealth of Kentucky to perform the corporation postaudit. The Auditor of Public Accounts shall remain responsible for the annual postaudit and the corporation shall pay all audit costs. The Auditor of Public Accounts may, at any time, conduct additional audits, including performance audits, of the corporation as he deems necessary or desirable. Contracts shall be entered into for audit services for a period not to exceed five (5) years and the same firm shall not receive two (2) consecutive audit contracts. All audits shall be filed with the Governor, the President of the Senate, and the Speaker of the House of Representatives. The corporation shall reimburse the Auditor of Public Accounts for the reasonable costs of any audits performed by him. The corporation shall cooperate with the Auditor of Public Accounts by giving employees designated by any of them access to facilities of the corporation for the purpose of efficient compliance with their respective responsibilities. With respect to any reimbursement that the corporation is required to pay to any agency, the corporation shall enter into an agreement with that agency under which the corporation shall pay to the agency an amount reasonably anticipated to cover the reimbursable expenses in advance of the expenses being incurred.

(4) An amount not to exceed twenty million dollars ($20,000,000) shall be transferred in fiscal year 1997-1998 and each fiscal year thereafter from the Kentucky lottery trust account to the Catastrophic Health Insurance Program for Working Kentuckians fund created in Section 49 of this Act.";

Monthly, no later than the last business day of the succeeding month, the corporation shall transfer to a lottery trust fund the amount of net revenues which the corporation determines are surplus to its needs. These funds shall be held in trust until 1990 at which time the General Assembly shall determine the manner in which the funds will be allocated and appropriated. The net revenues shall be determined by deducting from gross revenues the payment costs incurred in the operation and administration of the lottery, including the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the start-up costs are paid, it is the intent of the Legislature that it shall be the goal of the corporation to transfer each year thirty-five percent (35%) of gross revenues to the general fund for the purposes stated above.

(2) A Kentucky lottery trust account is established in the State Treasury. Net lottery revenues shall be credited to this restricted account as provided in subsection (1) of this section. Moneys credited to the Kentucky lottery trust account shall be invested by the state in accordance with state investment practices and all earnings from the investments shall accrue to this account. No moneys shall be allotted or expended from this account unless pursuant to an appropriation by the General Assembly, except that moneys as are needed shall be transferred to the general fund pursuant to the provisions of the Acts of the Extraordinary Session of the 1988 General Assembly. Moneys in the Kentucky lottery trust account shall not lapse at the close of the state fiscal year.

(3) The Auditor of Public Accounts shall be responsible for a financial postaudit of the books and records of the corporation. The postaudit shall be conducted in accordance with generally accepted accounting principles, shall be paid for by the corporation, and shall be completed within ninety (90) days of the close of the corporation's fiscal year. The Auditor of Public Accounts shall contract with an independent, certified public accountant who meets the qualifications existing to do business within the Commonwealth of Kentucky to perform the corporation postaudit. The Auditor of Public Accounts shall remain responsible for the annual postaudit and the corporation shall pay all audit costs. The Auditor of Public Accounts may, at any time, conduct additional audits, including performance audits, of the corporation as he deems necessary or desirable. Contracts shall be entered into for audit services for a period not to exceed five (5) years and the same firm shall not receive two (2) consecutive audit contracts. All audits shall be filed with the Governor, the President of the Senate, and the Speaker of the House of Representatives. The corporation shall reimburse the Auditor of Public Accounts for the reasonable costs of any audits performed by him. The corporation shall cooperate with the Auditor of Public Accounts by giving employees designated by any of them access to facilities of the corporation for the purpose of efficient compliance with their respective responsibilities. With respect to any reimbursement that the corporation is required to pay to any agency, the corporation shall enter into an agreement with that agency under which the corporation shall pay to the agency an amount reasonably anticipated to cover the reimbursable expenses in advance of the expenses being incurred.

(4) An amount not to exceed five million dollars ($5,000,000) shall be transferred in each fiscal year, beginning with 1997-1998 and ending with 1999-2000, from the Kentucky lottery trust account to the Kentucky comprehensive health insurance plan fund created in Section 23 of this Act.";

For health maintenance organizations, the proportionate share of losses shall be determined through application of an equitable formula based upon claims paid on the value of services provided. "SECTION 13. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Sections 13 to 22 of this Act may be referred to as the Kentucky Guaranteed Issue Funding Program.

(2) There is hereby created the Kentucky Guaranteed Issue Funding Program, which shall be operational on or before January 1, 1998. For purposes of Sections 13 to 22 of this Act, "program" means the Kentucky Guaranteed Issue Funding Program.

(3) The General Assembly finds that the guaranteed issue provisions created by this subtitle will provide access to health insurance to residents of Kentucky at costs that, in particular cases, will be substantially above the premiums that individuals will pay for coverage. The Kentucky Guaranteed Issue Funding Program is created to:

(a) Encourage private insurers to participate in the individual market by establishing a means to allocate the losses that insurers issuing coverage in the individual market incur with respect to policies defined as high-cost policies in Section 14 of this Act;

(b) Provide a mechanism for persons with a high-cost condition to maintain access to coverage in the private insurance market by means of the allocation process in paragraph (a) of this subsection; and

(c) Provide a safety net of insurance coverage to persons with a high-cost condition in areas of Kentucky where alternatives for individual coverage are restricted or unavailable as defined in Section 17 of this Act.

(4) The Kentucky Guaranteed Issue Funding Program is also designed for the purpose of implementing an acceptable alternative mechanism within the meaning of 42 U.S.C. sec. 300gg-44(a)(1) so that Kentucky may preserve the flexibility over the regulation of health insurance coverage allowed by federal law.

(5) All insurers, reinsurers, and self-insured employer-controlled or bona fide associations, as a condition of doing business in Kentucky, shall participate in the Kentucky Guaranteed Issue Funding Program and be subject to an assessment.

(6) As a condition of doing business in the Commonwealth of Kentucky, all insurers writing health insurance policies and plans in this state shall:

(a) 1. Support the program by paying an assessment as defined in Section 14 of this Act; or

2. Participate in the program by insuring individuals with high-cost conditions; and

(b) Pay their proportionate share of the cost of the program based on their market share, as set forth in Section 14 of this Act.

(7) During the transition from the effective date of this Act until the date the program begins issuing coverage, the commissioner shall act on behalf of the program.

SECTION 1. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(23) "Total actual high-cost policy losses" means a dollar amount equal to the sum of the actual high-cost policy losses of the program.

SECTION 2. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS

FOLLOWS:

(1) The commissioner shall administer the provisions of Sections 13 to 22 of this Act, and the commissioner's duties and responsibilities to the program include:

(a) Appoint an administrator and hire any additional staff required to accomplish the requirements of Sections 13 to 22 of this Act;

(b) Take any legal actions necessary, including action to recover or collect assessments due the program;

(c) Establish administrative and accounting procedures for the operation of the program;

(d) Establish procedures under which applicants and participants in the program may have grievances reviewed by an impartial body and reported to the commissioner;

(e) Collect the fees and any assessments in accordance with Sections 13 to 22 of this Act; and

(f) Provide written reports to the Governor and the Legislative Research Commission annually of all activities of the program. The commissioner shall by administrative regulation determine what reports and data need to be reported.

(2) The commissioner shall, by administrative regulation, establish a list of high-cost conditions based on diagnosis and severity. At the request of an insurer, the commissioner shall hold a hearing to determine whether or not a condition should be listed.

SECTION 3. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) All health insurers may elect to participate in providing health insurance coverage to individuals with a high-cost condition under the Kentucky Guaranteed Issue Funding Program under the following conditions:

(a). Network-based insurers may limit coverage to those benefit plans offered to persons residing in the geographic area covered by the providers network;

(b) A group carrier may elect to offer coverage to persons with a high-cost condition without otherwise operating in the individual market; and

(c) Any participating carrier may limit the number of persons enrolled with a high-cost condition to the proportion of the insurer's market share. A carrier that reaches its enrollment limit during a given month shall immediately notify the commissioner and shall continue issuing coverage throughout the end of that month. High-cost policies that are enrolled with a carrier on the effective date of this Act and health insurance policies that were not high cost at the time of first issuance, but that become high-risk policies, may be counted toward the enrollment cap of a participating carrier.

(2) The commissioner shall publicize a monthly list of participating carriers that offer coverage to individuals with a high-cost condition.

(3) A health insurance policy shall be considered a high-cost policy and is eligible for inclusion in calculating assessments and refunds under the program if it meets all of the following criteria:

(a) The health insurance policy is purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children;

(b) Under the program, an individual entitled to benefits has a defined high-cost condition;

(c) The lifetime claims that have been paid under the health insurance policy have not exceeded one million dollars ($1,000,000). The lifetime claims limit shall not apply if the policy was issued before the effective date of this section, or is a renewal of a policy that was issued before the effective date of this Act;

(d) The health insurance policy imposes the maximum pre-existing condition exclusion permitted under Section 4 of this Act;

(e) The individual purchasing the health insurance policy is not eligible for or covered by other coverage;

(f) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A; and

(g) Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this subsection even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year.

(4) Notwithstanding any other provision of this section, a health insurance issuer shall not be required to utilize the experience of high cost policies under the program to develop index rates for its individual policies under Section 9 of this Act.

SECTION 17. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS

FOLLOWS:

(1) The program shall create the Kentucky Safety Net plan as an alternative coverage limited to those circumstances listed in subsection (3) of this section.

(2) The Kentucky Safety Net portion of the program shall be operational from the date the program becomes operational to April 14, 2000.

(3) The Kentucky Safety Net portion of the program shall be made available on a guaranteed issue basis only to persons with a high-cost condition who are not eligible for coverage through an employer or any governmental program, and only under the following circumstances:

(a) There is no health insurance coverage available from a private participating carrier in the geographic area of the individual; or

(b) There is only one (1) participating carrier offering coverage in the geographic area of the individual.

(4) The Kentucky Safety Net portion of the program shall offer two (2) health benefit plans to participants similar to the health benefit plans in existence at the time of the effective date of this Act. Initially, one (1) plan shall be the standard high plan in effect on the effective date of this Act, except that it shall contain a lifetime limit of one million dollars ($1,000,000) per covered individual. Health benefit plans shall be offered with high and low cost-sharing options. Both plans shall include utilization review and case management.

(a) No pre-existing condition exclusion under the Kentucky Safety Net portion of the program shall be applied to individuals who have eighteen (18) months of creditable coverage with no more than sixty-three (63) days' lapse in coverage prior to application in the program.

(b) A twelve (12) month pre-existing condition exclusion shall be imposed with a credit for prior coverage on individuals who do not meet the requirements of paragraph (a) of this subsection.

(5) Rates for health insurance coverage issued under the Kentucky Safety Net portion of the program shall initially not exceed one hundred fifty percent (150%) of the average statewide rate in the commercial individual market for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(6) Net losses of the Safety Net portion of the program shall be included in the total losses of the program and shall be reimbursed from assessments.

(7) The commissioner shall have the following powers and duties on behalf of the Safety Net portion of the program:

(a) Enter into any contracts as are necessary or proper to carry out the provisions of Sections 13 to 22 of this Act;

(b) Design and offer health insurance policies that are to be available three hundred sixty-five (365) days per year on a guaranteed issue basis to eligible individuals;

(c) Develop a program to publicize the existence of the Safety Net portion of the program, the eligibility requirements for the Safety Net portion of the program, and the procedures for enrollment in the Safety Net portion of the program, and to maintain public awareness of the Safety Net portion of the program;

(d) Determine a fee for licensed insurance agents that place business through, or refer business to, the Safety Net portion of the program;

(e) Provide for reinsurance of risks incurred by the Safety Net portion of the program;

(f) Issue policies of insurance in accordance with the requirements of Sections 13 to 22 of this Act;

(g) Establish and modify from time to time, as appropriate, rates, rate schedules, rate adjustments, expense allowances, agents' referral fees, claim reserve formulas, and any other function appropriate to the operation of the Safety Net portion of the program;

(h) Prepare and distribute application forms and enrollment instruction forms to insurance producers and to the general public;

(i) Appoint or hire appropriate legal, actuarial, and other professionals as necessary to provide technical assistance in the operation of the Safety Net portion of the program;

(j) Provide for and employ cost containment measures and requirements including, but not limited to, preadmission screening, second surgical opinion, concurrent utilization review, and individual case management for the purpose of making the benefit plans more cost-effective; and

(k) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services.

(8) After April 14, 2000, this section shall become null and void.

SECTION 4. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS

FOLLOWS:

(1) For a health insurance policy that is a high-cost policy at the time of first issuance, an insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the maximum annual premium that the insurer could charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(2) (a) If a health insurance policy that was not a high-cost policy at the time of first issuance thereafter becomes a high-cost policy, the insurer may not increase the premium on account of the health insurance policy becoming a high-cost policy until the date of first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition. Nothing in this subsection shall prohibit an increase in premiums that could be imposed on an equivalent health insurance policy that was not a high-cost policy. At the time of the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) At the time of each subsequent renewal after the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(3) If an individual was not without health insurance coverage for more than sixty-three (63) days immediately preceding the purchase of a high-cost health insurance policy that is eligible under the program, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy. At the time of each subsequent renewal of the high-cost health insurance policy, the insurer may charge an annual premium as allowed under subsection (1) of this section.

(4) (a) Notwithstanding the provisions of subsections (1, (2), and (3) of this section, the commissioner may, for good cause shown, authorize increasing the annual premium on a high-cost policy up to two hundred percent (200%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) Rates for health benefit plans issued by the program shall not exceed two hundred percent (200%) of the average standard rate for similar coverage.

(c) All rates for health benefit plans issued by the program shall be filed with and approved by the commissioner.

An insurer that, on or after July 15, 1995 until the effective date of this Act, issued standard health benefit plans pursuant to KRS 304.17A-160 and then ceased doing business in Kentucky, may apply to the commissioner on or after the effective date of this Act to reenter Kentucky and engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110 (1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

SECTION 10. A NEW SECTION OF SUBTITLE 18 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insurer that, on or after July 15, 1995 until the effective date of this Act, issued standard health benefit plans pursuant to KRS 304.17A-160 and then ceased doing business in Kentucky, may apply to the commissioner on or after the effective date of this Act to reenter Kentucky and engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110 (1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 11. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within thirty (30) days after receiving a filing under this subtitle containing a rate increase, and after the hearing shall issue a final order approving or disapproving the filing.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

(3) The commissioner shall notify the Attorney General in writing of the hearing and of the premium increase to be considered. The Attorney General shall be considered a party to the hearing if he chooses to participate.

(4) No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate increase for any of the same policies until at least six (6) months have elapsed following the effective date of the approved increase.

(5) At any time, the commissioner, after an administrative hearing may withdraw approval of rates previously approved under this section if he determines that the benefits are no longer reasonable in relation to the premium charged. Administrative hearings conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B.

(6) (a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. This loss ratio guarantee shall be in writing and shall contain at least the following:

1. A recitation of the anticipated loss ratio standards contained in the original actuarial memorandum filed with the policy form when it was originally approved by the commissioner;

2. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the loss ratio standards referred to in subparagraph 1. of this paragraph. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;

3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;

4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated loss ratio standards referred to in subparagraph 1. of this paragraph. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and

5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to the Department of Insurance.

Section 12. KRS 304.14-130 is amended to read as follows:

(1) The commissioner shall disapprove any form filed under KRS 304.14-120, or withdraw any previous approval thereof, only on one (1) or more of the following grounds:

(a) If it is in any respect in violation of, or does not comply with, this code.

(b) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.

(c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in such size of type or manner of reproduction as to be substantially illegible.

(d) If it excludes coverage for human immunodeficiency virus infection or acquired immunodeficiency syndrome or contains limitations in the benefits payable, or in the terms or conditions of the contract, for human immunodeficiency virus infection or acquired immunodeficiency syndrome which are different than those which apply to any other sickness or medical condition.

(e) As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.

(2) The insurer shall not use in this state any such form after disapproval or withdrawal of approval.

The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

Section 11. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within thirty (30) days after receiving a filing under this subtitle containing a rate increase, and after the hearing shall issue a final order approving or disapproving the filing.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

(3) The commissioner shall notify the Attorney General in writing of the hearing and of the premium increase to be considered. The Attorney General shall be considered a party to the hearing if he chooses to participate.

(4) No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate increase for any of the same policies until at least six (6) months have elapsed following the effective date of the approved increase.

(5) At any time, the commissioner, after an administrative hearing may withdraw approval of rates previously approved under this section if he determines that the benefits are no longer reasonable in relation to the premium charged. Administrative hearings conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B.

(6) (a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;

3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;

4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated loss ratio standards referred to in subparagraph 1. of this paragraph. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and

5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to

the Department of Insurance.

(7) (a) At renewal the insurer may replace modified community rates with rates determined in accordance with paragraph (b) of this subsection.

(b) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%).

The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

SECTION 26. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 26 to 39 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;

2. Serious impairment to bodily functions; or

3. Serious dysfunction of any bodily organ or part; or

(b) With respect to a pregnant woman who is having contractions:

1. A situation in which there is inadequate time to effect a safe transfer to another hospital before delivery; or

2. A situation in which transfer may pose a threat to the health or safety of the woman or the unborn child.

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph shall not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered experimental or investigational;

(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

(c) Demonstrated evidence as reflected in the published peer-review medical literature shall exist that over time the technology leads to improvement in health outcomes, such as the beneficial effects outweigh any harmful effects;

(d) Proof as reflected in the published peer-reviewed medical literature shall exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

(e) Proof as reflected in the published peer-reviewed medical literature shall exist that improvements in health outcomes, as defined in paragraph (c) of this subsection, is possible in standard conditions of medical practice, outside clinical investigatory settings;

(6) "Grievance" means a written complaint submitted by or on behalf of an enrollee;

(7) "Health benefit plan" means any hospital or medical expense policy or certificate; nonprofit hospital, medical-surgical, and health service corporation contract or certificate; a self-insured plan or a plan provided by a multiple employer welfare arrangement, to the extent permitted by ERISA; or health maintenance organization contract; or any health benefit plan which affects the rights of a Kentucky insured and bears a reasonable relation to Kentucky, whether delivered or issued for delivery in Kentucky, and does not include policies covering only accident, credit, dental, disability income, fixed indemnity, long-term care, Medicare supplement, specified disease, vision care, coverage issued as a supplement to liability insurance, insurance arising out of a workers' compensation or similar law, automobile medical-payment insurance, insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance, short-term coverage, or student health insurance offered by a Kentucky-licensed insurer under written contract with a university or college whose students it proposes to insure.

(8) "Health care provider" or "provider" means any facility or service required to be licensed pursuant to KRS Chapter 216B, pharmacist as defined pursuant to KRS Chapter 315, and any of the following independent practicing practitioners:

(a) Physicians, osteopaths, and podiatrists licensed under KRS Chapter 311;

(b) Chiropractors licensed under KRS Chapter 312;

(c) Dentists licensed under KRS Chapter 313;

(d) Optometrists licensed under KRS Chapter 320;

(e) Physician assistants regulated under KRS Chapter 311;

(f) Nurse practitioners licensed under KRS Chapter 314; and

(g) Other health care practitioners as determined by the department by administrative regulations promulgated under KRS Chapter 13A.

(9) "Health insurance policy" means "health benefit plan" as defined in this section;

(10) "Insurer" means any insurance company; health maintenance organization; self-insurer or multiple employer welfare arrangement not exempt from state regulation by ERISA; provider-sponsored integrated health delivery network; self-insured employer-organized association, or nonprofit hospital, medical-surgical, dental, or health service corporation authorized to transact health insurance business in Kentucky;

(11) "Managed care plan" means a health insurance policy that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers who are selected to participate on the basis of explicit standards to furnish a comprehensive set of health care services and financial incentives for covered persons to use the participating providers and procedures provided for in the plan;

(12) "Participating health care provider" means a health care provider that has entered into an agreement with an insurer to provide health care services to an enrollee in its managed care plan;

"Record" also includes the substance of any communication made by a patient to a provider in confidence during or in connection with the provision of health services to a patient or information otherwise acquired by the provider about a patient in confidence and in connection with the provision of health services to a patient; and

(15) "Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the plan. The system may include: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures, and retrospective review.

All data profiling or other data analysis pertaining to participating providers shall be done in a manner which is valid and reasonable. Plans shall not use criteria that would allow an insurer to avoid high-risk populations by excluding providers because they are located in geographic areas that contain populations or providers presenting a risk of higher-than-average claims, losses, or health services utilization or that would exclude providers because they treat or specialize in treating populations presenting a risk of higher-than-average claims, losses, or health services utilization.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and

Section 15. KRS 304.14-120 is amended to read as follows:

(1) No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or indorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with and approved by the commissioner. This provision shall not apply to[~~ standard health care benefit plans established under KRS 304.17A-160, or to~~] surety bonds, or to specially-rated inland marine risks, or to policies, riders, indorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject, or which relate to the manner or distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. As to group insurance policies issued and delivered to an association outside this state but covering persons resident in this state, all or substantially all of the premiums for

which are payable by the insured members, the group certificates to be delivered or issued for delivery in this state shall be filed with and approved by the commissioner. As to forms for use in property, marine (other than wet marine and transportation insurance), casualty and surety insurance coverages the filing required by this subsection may be made by rating organizations on behalf of its members and subscribers; but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

(2) Every such filing shall be made not less than sixty (60) days in advance of any such delivery. At the expiration of such sixty (60) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than a thirty (30) day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial sixty (60) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(5) Appeals from orders of the commissioner disapproving any such form or withdrawing a previous approval shall be taken as provided in Subtitle 2 of this chapter.

SECTION 26. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 26 to 39 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

- *(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:*
  - *1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;*
  - *2. Serious impairment to bodily functions; or*
  - *3. Serious dysfunction of any bodily organ or part; or*
- *(b) With respect to a pregnant woman who is having contractions:*
  - *1. A situation in which there is inadequate time to effect a safe transfer to another hospital before delivery; or*
  - *2. A situation in which transfer may pose a threat to the health or safety of the woman or the unborn child.*

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment

of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph shall not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered experimental or investigational;

(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

(c) Demonstrated evidence as reflected in the published peer-review medical literature shall exist that over time the technology leads to improvement in health outcomes, such as the beneficial effects outweigh any harmful effects;

(d) Proof as reflected in the published peer-reviewed medical literature shall exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

(e) Proof as reflected in the published peer-reviewed medical literature shall exist that improvements in health outcomes, as defined in paragraph (c) of this subsection, is possible in standard conditions of medical practice, outside clinical investigatory settings;

(6) "Grievance" means a written complaint submitted by or on behalf of an enrollee;

(7) "Health benefit plan" means any hospital or medical expense policy or certificate; nonprofit hospital, medical-surgical, and health service corporation contract or certificate; a self-insured plan or a plan provided by a multiple employer welfare arrangement, to the extent permitted by ERISA; or health maintenance organization contract; or any health benefit plan which affects the rights of a Kentucky insured and bears a reasonable relation to Kentucky, whether delivered or issued for delivery in Kentucky, and does not include policies covering only accident, credit, dental, disability income, fixed indemnity, long-term care, Medicare supplement, specified disease, vision care, coverage issued as a supplement to liability insurance, insurance arising out of a workers' compensation or similar law, automobile medical-payment insurance, insurance under which benefits are payable with or without regard to fault and which is statutorily required to be contained in any liability insurance policy or equivalent self-insurance, short-term coverage, or student health insurance offered by a Kentucky-licensed insurer under written contract with a university or college whose students it proposes to insure.

(8) "Health care provider" or "provider" means any facility or service required to be licensed pursuant to KRS Chapter 216B, pharmacist as defined pursuant to KRS Chapter 315, and any of the following independent practicing practitioners:

(a) Physicians, osteopaths, and podiatrists licensed under KRS Chapter 311;

(b) Chiropractors licensed under KRS Chapter 312;

(c) Dentists licensed under KRS Chapter 313;

(d) Optometrists licensed under KRS Chapter 320;

(e) Physician assistants regulated under KRS Chapter 311;

(f) Nurse practitioners licensed under KRS Chapter 314; and

(g) Other health care practitioners as determined by the department by administrative regulations promulgated under KRS Chapter 13A.

(9) "Health insurance policy" means "health benefit plan" as defined in this section;

(10) "Insurer" means any insurance company; health maintenance organization; self-insurer or multiple employer

welfare arrangement not exempt from state regulation by ERISA; provider-sponsored integrated health delivery network; self-insured employer-organized association, or nonprofit hospital, medical-surgical, dental, or health service corporation authorized to transact health insurance business in Kentucky;

(11) "Managed care plan" means a health insurance policy that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers who are selected to participate on the basis of explicit standards to furnish a comprehensive set of health care services and financial incentives for covered persons to use the participating providers and procedures provided for in the plan;

(12) "Participating health care provider" means a health care provider that has entered into an agreement with an insurer to provide health care services to an enrollee in its managed care plan;

"Record" also includes the substance of any communication made by a patient to a provider in confidence during or in connection with the provision of health services to a patient or information otherwise acquired by the provider about a patient in confidence and in connection with the provision of health services to a patient; and

(15) "Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the plan. The system may include: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures, and retrospective review.

Selection or participation standards based on the economics or capacity of a provider's practice shall be adjusted to account for case mix, severity of illness, patient age and other features that may account for higher-than- or lower-than-expected costs. All data profiling or other data analysis pertaining to participating providers shall be done in a manner which is valid and reasonable. Plans shall not use criteria that would allow an insurer to avoid high-risk populations by excluding providers because they are located in geographic areas that contain populations or providers presenting a risk of higher-than-average claims, losses, or health services utilization or that would exclude providers because they treat or specialize in treating populations presenting a risk of higher-than-average claims, losses, or health services utilization.

(2) Each insurer shall establish mechanisms for soliciting and acting upon applications for provider participation in the plan in a fair and systematic manner. These mechanisms shall, at a minimum, include:

(a) The health care provider may not be prohibited by the plan from discussing all treatment options with the enrollee.

(b) Other information determined by the health care provider to be in the best interests of the enrollee may be disclosed by the provider to the enrollee, or to another person on behalf of an enrollee.

(b) Education of physicians, enrollees, and pharmacists regarding the appropriate use of prescription drugs; and

(c) Ongoing periodic examination of data on outpatient prescription drugs to ensure quality therapeutic outcomes for enrollees.

(2) The drug utilization review program shall utilize the following to effectuate the purposes of subsection (1) of this section:

(a) Relevant clinical criteria and standards for drug therapy;

(b) Nonproprietary criteria and standards developed and revised through input from participating physicians and pharmacists;

(c) Intervention that focuses on improving therapeutic outcomes; and

(d) Measures to ensure the confidentiality of the relationship between an enrollee and a health care provider.

(2) The medical director shall ensure that:

(a) Any utilization management decision to deny, reduce, or terminate a health care benefit or to deny payment for a health care service, because that service is not medically necessary, shall be made by a physician;

(b) A utilization management decision shall not retrospectively deny coverage for health care services provided to a covered person when prior approval has been obtained from the insurer for those services, unless the approval was based upon fraudulent, materially inaccurate, or misrepresented information submitted by the covered person or the participating provider;

(c) In the case of a managed care plan, a procedure is implemented whereby participating physicians have an opportunity to review and comment on all medical and surgical protocols, respectively, of the insurer;

HR 13, A RESOLUTION adjourning the House of Representatives in loving memory and honor of Lyman T. Johnson and the living God who created him.

The most prominent glory of a country is in its God and those who champion His righteousness and justice. A nation's spirit and success depends on its willingness to obey God's law, repent of injustice and unrighteousness, and learn enough from the sins of the past not to repeat them in the future. In life we find many leaders that are great, and some that will even sacrifice their personal comforts for principle, but very few men of the caliber of Lyman T. Johnson that are both great and willing to endure hardship and ridicule for a just cause.

WHEREAS, Lyman T. Johnson was born in Columbia, Tennessee, on June 12, 1906, the eighth of nine children bestowed upon Robert Graves and Mary Dew Johnson, and the grandson of four slaves; and

WHEREAS, Lyman T. Johnson was the devoted husband of Juanita Morrell, who preceded him in death after forty-one years of marriage, and the proud father of a daughter, Yvonne, and a son, Lyman Morrell; and

WHEREAS, Lyman T. Johnson received his high school diploma in 1926 from the preparatory division of Knoxville College; he earned his bachelor's degree in Greek from Virginia Union University in 1930; he received his master's degree in history from the University of Michigan in 1931; and he served his country with distinction in the United States Navy during World War II; and

WHEREAS, Lyman T. Johnson spent thirty-three years teaching history, economics, and mathematics at Louisville's Central High School, and his accomplishments as an educator exemplified his professionalism in the classroom, and his love for his students was apparent by his daily preaching of racial justice and personal confidence and success born of hard work, determination, and self-reliance; and

WHEREAS, Lyman T. Johnson served as assistant principal at Parkland Junior High School, Manley Junior High School, and Flaget High School; he served on the Jefferson County School Board; and he served as president of the Louisville Association of Teachers in Colored Schools, and during such term, he tirelessly fought for and won parity in pay for African-American teachers in the local school system; and

WHEREAS, Lyman T. Johnson will best be remembered as the lion of the local civil rights movement for breaking the color barrier at universities throughout the Commonwealth of Kentucky; he served as plaintiff in a lawsuit that ultimately required the University of Kentucky to admit African-American students, and was the first African-American to attend the University of Kentucky; and

WHEREAS, Lyman T. Johnson had a deep-seeded dual commitment to both desegregation and integration, having been described as the greatest advocate for integration among the races in the Commonwealth of Kentucky; he believed that integration was the only path to true equality between the races, and he was instrumental in the long struggle to integrate public accommodations and housing in Jefferson County; and

WHEREAS, Lyman T. Johnson, thirty years after being admitted to the University of Kentucky, was awarded an honorary degree of doctor of letters from the University of Kentucky, and a fellowship program was created for African-American and older, minority graduate students at the university; he was honored by having Parkland Junior High School renamed Lyman T. Johnson Middle School; and he received numerous other honors and awards for his outstanding service to the community and to the Commonwealth of Kentucky; and

WHEREAS, Lyman T. Johnson, a lifelong resident of Louisville, Kentucky, departed these earthly bounds on October 3, 1997, and all who knew, knew of, and admired him will grieve over their loss as he is mourned across the length and breadth of the Commonwealth;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives does hereby express its profound sense of sorrow upon the passing of Lyman T. Johnson, and extends to his family its most heartfelt sympathy.

Section 2. The passion, dedication, intelligence, and social consciousness Lyman T. Johnson brought to this Commonwealth will never be forgotten, and his influence will continue.

Section 3. When the House of Representatives adjourns this day, it does so in loving memory and honor of Lyman T. Johnson and the living God who created him.

Section 4. The Clerk of the House of Representatives is hereby directed to transmit a copy of this Resolution to Representative Tom Riner for presentation to the family of Lyman T. Johnson.

HR 7, A RESOLUTION concerning international negotiations on global climate change.

WHEREAS, the United States is a signatory to the 1992 Rio Framework Convention on Global Climate Change ("FCCC"), and currently is participating in international negotiations pursuant to a United Nations agreement negotiated in Berlin in 1995 ("Berlin Mandate") to expand the scope of the FCCC; and

WHEREAS, the Berlin Mandate requires the United States, Western Europe, Japan, and other advanced industrial nations ("Developed Country Parties") to negotiate legally binding quantified emission limitation and reduction objectives for greenhouse gases for the post-2000 period, while not increasing the commitments of developing countries such as China, India, and Mexico ("Developing Country Parties"); and

WHEREAS, the United States and other Developed Country Parties are pursuing policies aimed at reducing emissions of greenhouse gases to 1990 levels by the year 2000, pursuant to the terms of the FCCC; and

WHEREAS, man-made emissions of greenhouse gases such as carbon dioxide are caused primarily by the combustion of oil, coal, and natural gas fuels by industries, automobiles, and other uses of energy; and

WHEREAS, the United States relies on carbon-based fossil fuels for more than 90% of its total energy supply; and

WHEREAS, Developing Country Parties exempt from the Berlin Mandate are expected to increase their rates of economic growth and fossil fuel use over the next two decades, and to surpass the United States and other Developed Country Parties in total emissions of greenhouse gases; and

WHEREAS, 1997 studies prepared by the United States government estimate that legally binding requirements for the stabilization of greenhouse gases at 1990 levels would result in the loss of 900,000 jobs in the United States, sharply increased energy prices, reduced family incomes and wages, and severe losses of output in energy-intensive industries; and

WHEREAS, the exemption in the Berlin Mandate for new commitments by Developing Country Parties creates an unfair competitive imbalance between industrial and developing nations, potentially leading to the transfer of jobs and industrial development from Developed Country Parties to Developing Country Parties; and

WHEREAS, increased emission of greenhouse gases by Developing Country Parties would offset any environmental benefits associated with emission reductions achieved by the United States and other Developed Country Parties; and

WHEREAS, on July 25, 1997, the United States Senate adopted Senate Resolution No. 98 by a vote of 95-0, expressing the Sense of the Senate that "the United States should not be a signatory to any protocol to or other agreement regarding, the Framework convention on Climate Change. . . . which would require the advice and consent of the Senate to ratification, which would mandate new commitments to mitigate greenhouse gas emissions for the Developed Country Parties, unless the protocol or other agreement also mandates specific scheduled commitments within the same compliance period to mitigate greenhouse gas emissions for Developing Country Parties"; and

WHEREAS, Senate Resolution No. 98 further states that "the Senate strongly believes that the proposals under negotiation, because of the disparity of treatment between Developed and Developing Countries, and the level of required emission reductions, could result in serious harm to the United States economy, including significant job loss, trade disadvantages, increased energy and consumer costs, and tax increases";

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The House of Representatives of the General Assembly of the Commonwealth of Kentucky urges the President of the United States to avoid entering into any new climate treaty commitments pursuant to the Berlin Mandate that could lead to the loss of jobs, income, or economic development in the United States, or to increases in the price of energy to consumers, without corresponding commitments by Developing Country Parties as called for in United States Senate Resolution No. 98.

Section 2. The House of Representatives of the General Assembly of the Commonwealth of Kentucky urges the United States Senate to reject any proposed protocol or other amendment to the FCCC that is inconsistent with this Resolution, or that does not comply fully with United States Senate Resolution No. 98.

"SECTION 13. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Sections 13 to 22 of this Act may be referred to as the Kentucky Guaranteed Issue Funding Program.

(2) There is hereby created the Kentucky Guaranteed Issue Funding Program, which shall be operational on or before

January 1, 1998. For purposes of Sections 13 to 22 of this Act, "program" means the Kentucky Guaranteed Issue Funding Program.

(3) The General Assembly finds that the guaranteed issue provisions created by this subtitle will provide access to health insurance to residents of Kentucky at costs that, in particular cases, will be substantially above the premiums that individuals will pay for coverage. The Kentucky Guaranteed Issue Funding Program is created to:

(a) Encourage private insurers to participate in the individual market by establishing a means to allocate the losses that insurers issuing coverage in the individual market incur with respect to policies defined as high-cost policies in Section 14 of this Act;

(b) Provide a mechanism for persons with a high-cost condition to maintain access to coverage in the private insurance market by means of the allocation process in paragraph (a) of this subsection; and

(c) Provide a safety net of insurance coverage to persons with a high-cost condition in areas of Kentucky where alternatives for individual coverage are restricted or unavailable as defined in Section 17 of this Act.

(4) The Kentucky Guaranteed Issue Funding Program is also designed for the purpose of implementing an acceptable alternative mechanism within the meaning of 42 U.S.C. sec. 300gg-44(a)(1) so that Kentucky may preserve the flexibility over the regulation of health insurance coverage allowed by federal law.

(5) All insurers, reinsurers, and self-insured employer-controlled or bona fide associations, as a condition of doing business in Kentucky, shall participate in the Kentucky Guaranteed Issue Funding Program and be subject to an assessment.

(6) As a condition of doing business in the Commonwealth of Kentucky, all insurers writing health insurance policies and plans in this state shall:

(a) 1. Support the program by paying an assessment as defined in Section 14 of this Act; or

2. Participate in the program by insuring individuals with high-cost conditions; and

(b) Pay their proportionate share of the cost of the program based on their market share, as set forth in Section 14 of this Act.

(7) During the transition from the effective date of this Act until the date the program begins issuing coverage, the commissioner shall act on behalf of the program.

SECTION 1. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

SECTION 2. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall administer the provisions of Sections 13 to 22 of this Act, and the commissioner's duties and responsibilities to the program include:

the program. The commissioner shall by administrative regulation determine what reports and data need to be reported.

(2) The commissioner shall, by administrative regulation, establish a list of high-cost conditions based on diagnosis and severity. At the request of an insurer, the commissioner shall hold a hearing to determine whether or not a condition should be listed.

SECTION 3. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) All health insurers may elect to participate in providing health insurance coverage to individuals with a high-cost condition under the Kentucky Guaranteed Issue Funding Program under the following conditions:

(a) Network-based insurers may limit coverage to those benefit plans offered to persons residing in the geographic area covered by the providers network;

(b) A group carrier may elect to offer coverage to persons with a high-cost condition without otherwise operating in the individual market; and

(c) Any participating carrier may limit the number of persons enrolled with a high-cost condition to the proportion of the insurer's market share. A carrier that reaches its enrollment limit during a given month shall immediately notify the commissioner and shall continue issuing coverage throughout the end of that month. High-cost policies that are enrolled with a carrier on the effective date of this Act and health insurance policies that were not high cost at the time of first issuance, but that become high-risk policies, may be counted toward the enrollment cap of a participating carrier.

(2) The commissioner shall publicize a monthly list of participating carriers that offer coverage to individuals with a high-cost condition.

(3) A health insurance policy shall be considered a high-cost policy and is eligible for inclusion in calculating assessments and refunds under the program if it meets all of the following criteria:

(a) The health insurance policy is purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children;

(b) Under the program, an individual entitled to benefits has a defined high-cost condition;

(c) The lifetime claims that have been paid under the health insurance policy have not exceeded one million dollars ($1,000,000). The lifetime claims limit shall not apply if the policy was issued before the effective date of this section, or is a renewal of a policy that was issued before the effective date of this Act;

(d) The health insurance policy imposes the maximum pre-existing condition exclusion permitted under Section 4 of this Act;

(e) The individual purchasing the health insurance policy is not eligible for or covered by other coverage;

(f) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A; and

(g) Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this subsection even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year.

(4) Notwithstanding any other provision of this section, a health insurance issuer shall not be required to utilize the experience of high cost policies under the program to develop index rates for its individual policies under Section 9 of this Act.

SECTION 17. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The program shall create the Kentucky Safety Net plan as an alternative coverage limited to those circumstances listed in subsection (3) of this section.

(2) The Kentucky Safety Net portion of the program shall be operational from the date the program becomes operational to April 14, 2000.

(3) The Kentucky Safety Net portion of the program shall be made available on a guaranteed issue basis only to persons with a high-cost condition who are not eligible for coverage through an employer or any governmental program, and only under the following circumstances:

(a) There is no health insurance coverage available from a private participating carrier in the geographic area of the individual; or

(b) There is only one (1) participating carrier offering coverage in the geographic area of the individual.

(4) The Kentucky Safety Net portion of the program shall offer two (2) health benefit plans to participants similar to the health benefit plans in existence at the time of the effective date of this Act. Initially, one (1) plan shall be the standard high plan in effect on the effective date of this Act, except that it shall contain a lifetime limit of one million dollars ($1,000,000) per covered individual. Health benefit plans shall be offered with high and low cost-sharing options. Both plans shall include utilization review and case management.

(a) No pre-existing condition exclusion under the Kentucky Safety Net portion of the program shall be applied to individuals who have eighteen (18) months of creditable coverage with no more than sixty-three (63) days' lapse in coverage prior to application in the program.

(b) A twelve (12) month pre-existing condition exclusion shall be imposed with a credit for prior coverage on individuals who do not meet the requirements of paragraph (a) of this subsection.

(5) Rates for health insurance coverage issued under the Kentucky Safety Net portion of the program shall initially not exceed one hundred fifty percent (150%) of the average statewide rate in the commercial individual market for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(6) Net losses of the Safety Net portion of the program shall be included in the total losses of the program and shall be reimbursed from assessments.

(7) The commissioner shall have the following powers and duties on behalf of the Safety Net portion of the program:

(a) Enter into any contracts as are necessary or proper to carry out the provisions of Sections 13 to 22 of this Act;

(b) Design and offer health insurance policies that are to be available three hundred sixty-five (365) days per year on a guaranteed issue basis to eligible individuals;

(c) Develop a program to publicize the existence of the Safety Net portion of the program, the eligibility requirements for the Safety Net portion of the program, and the procedures for enrollment in the Safety Net portion of the program, and to maintain public awareness of the Safety Net portion of the program;

(d) Determine a fee for licensed insurance agents that place business through, or refer business to, the Safety Net portion of the program;

(e) Provide for reinsurance of risks incurred by the Safety Net portion of the program;

(f) Issue policies of insurance in accordance with the requirements of Sections 13 to 22 of this Act;

(h) Prepare and distribute application forms and enrollment instruction forms to insurance producers and to the general public;

(i) Appoint or hire appropriate legal, actuarial, and other professionals as necessary to provide technical assistance in the operation of the Safety Net portion of the program;

(j) Provide for and employ cost containment measures and requirements including, but not limited to, preadmission screening, second surgical opinion, concurrent utilization review, and individual case management for the purpose of making the benefit plans more cost-effective; and

(k) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services.

(8) After April 14, 2000, this section shall become null and void.

SECTION 4. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For a health insurance policy that is a high-cost policy at the time of first issuance, an insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the maximum annual premium that the insurer could charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(2) (a) If a health insurance policy that was not a high-cost policy at the time of first issuance thereafter becomes a high-cost policy, the insurer may not increase the premium on account of the health insurance policy becoming a high-cost policy until the date of first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition. Nothing in this subsection shall prohibit an increase in premiums that could be imposed on an equivalent health insurance policy that was not a high-cost policy. At the time of the first renewal of the health insurance policy after the date on

which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) At the time of each subsequent renewal after the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(3) If an individual was not without health insurance coverage for more than sixty-three (63) days immediately preceding the purchase of a high-cost health insurance policy that is eligible under the program, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy. At the time of each subsequent renewal of the high-cost health insurance policy, the insurer may charge an annual premium as allowed under subsection (1) of this section.

(4) (a) Notwithstanding the provisions of subsections (1, (2), and (3) of this section, the commissioner may, for good cause shown, authorize increasing the annual premium on a high-cost policy up to two hundred percent (200%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) Rates for health benefit plans issued by the program shall not exceed two hundred percent (200%) of the average standard rate for similar coverage.

(c) All rates for health benefit plans issued by the program shall be filed with and approved by the commissioner.

SECTION 5. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the commissioner and the program, in the form and at the time as the commissioner by administrative regulation may specify, the following information for that year:

(a) The insurer's total premiums in both the individual and group markets;

(b) The number of high-cost policies in force as of December 31;

(c) The amount of the insurer's high-cost policy premiums received during the calendar year covered by the report;

(d) The amount of the insurer's high-cost policy claims paid during the calendar year covered by the report; and

(e) Such other information as the commissioner may, by administrative regulation, require be reported to operate the program.

Nothing contained in this subsection shall prohibit the commissioner from conducting examinations of insurers participating in the plan as is permitted by KRS 304.2-100 or from exercising other powers as are conferred upon the commissioner or the department by this chapter.

(2) At the end of each calendar year, and based upon the reports filed under subsection (1) of this section, the commissioner shall calculate and provide to each insurer who filed a report the following information relating to the calendar year:

(a) The amount of each reporting insurer's market share;

(b) The total amount of high-cost policy premiums for all reporting insurers;

(c) The total amount of high-cost policy claims paid by all reporting insurers;

(d) The total amount of total actual high-cost policy losses;

(e) The amount of the adjusted total actual high-cost policy losses;

(f) The amount of each insurer's allocated high-cost policy losses;

(g) The amount of the insurer's assessment or refund; and

(h) Such other information as the commissioner may elect to calculate and report.

The commissioner shall complete the calculation and provide each insurer the results of the calculation within forty-five (45) days after the reporting deadline.

(3) The commissioner shall prepare quarterly estimated calculations for the purposes of allowing all insurers to budget for their annual assessments and refunds.

SECTION 6. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, the commissioner shall, by administrative regulation promulgated within ninety (90) days of the effective date of this Act, require that high-cost policies contain cost containment features, including managed care and utilization management, to control the amount of high-cost policy losses without creating adverse health care outcomes. If the commissioner fails to timely promulgate administrative regulations, health insurance issuers shall impose cost containment features.

(2) The Health Insurance Advisory Council shall no less than annually review the list of high-cost conditions established by the commissioner under subsection (12) of Section 14 of this Act and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes the commissioner deems appropriate. In making recommendations the council, and in making changes the commissioner, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.

(3) For each calendar year that the program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

SECTION 7. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Each reinsurer shall pay an annual assessment to the program in an amount that is equal to two dollars ($2) upon each one hundred dollars ($100) of reinsurance premiums.

SECTION 8. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Assessments from insurers shall be paid within thirty (30) days after written notice is mailed or delivered to the assessed insurer.

(2) Assessments from reinsurers shall be paid quarterly according to a procedure established by the commissioner by administrative regulation.

(3) Assessments shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located. In addition to being assessed interest, an insurer that fails to timely pay an assessment shall be in violation of this chapter.

(4) All assessments shall be paid in trust for the exclusive benefit of insurers who participate in the program to a single depository designated in accordance with KRS 304.8-090(1) under a trust agreement in accordance with KRS 304.8-095. The moneys in the trust shall be held separate and apart from any other funds or moneys of any insurer and of the state and shall be used and administered exclusively for the purposes of the program. Withdrawals from the trust shall be made solely for:

(a) Payments of refunds;

(b) Payments of overpayments made by an insurer;

(c) Payments of administrative costs for the administration of the trust, as specified in the trust agreement, but not to exceed the extent of earnings on the prudent investment of the assets of the trust; and

(d) For other purposes necessary to administer the program as the commissioner may by administrative regulation specify, except that the commissioner may not cause his or her expenses or the expenses of the department or of any agency of the state to be paid from the trust.

The commissioner, the State Treasurer, the State Auditor, the Attorney General, and any insurer may inspect the records of the trust during the business hours of the depository.

(5) A refund may be only paid by the depository trustee upon receipt of a written instruction to pay a refund signed by the commissioner or the commissioner's designee, and the depository trustee shall promptly pay a refund upon receipt of a proper instruction. The commissioner shall instruct the depository trustee to make a required refund no later than forty-five (45) days after written notice to the insurer of the commissioner's calculation. All refunds shall

be paid in lawful money of the United States and shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located.

(6) After collecting all assessments to pay for the program, paying all refunds to participating carriers, and paying other administrative costs for each fiscal year, the commissioner shall calculate whether there remain any excess sums on deposit in the trust. Any excess, less any necessary reserves for the operation of the program as certified by the depository trustee, shall be refunded to all insurers who participated in the program for the entire fiscal year in proportion to their market share at the end of the prior year.

(7) Except for records that individually or in the aggregate would or could likely disclose information about the physical or mental condition of an individual, the records of the trust and its operation shall be considered public records for purposes of the Kentucky Open Records Law, KRS 61.870 to 61.884.

SECTION 9. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

"SECTION 13. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Sections 13 to 22 of this Act may be referred to as the Kentucky Guaranteed Issue Funding Program.

(2) There is hereby created the Kentucky Guaranteed Issue Funding Program, which shall be operational on or before January 1, 1998. For purposes of Sections 13 to 22 of this Act, "program" means the Kentucky Guaranteed Issue Funding Program.

(3) The General Assembly finds that the guaranteed issue provisions created by this subtitle will provide access to health insurance to residents of Kentucky at costs that, in particular cases, will be substantially above the premiums that individuals will pay for coverage. The Kentucky Guaranteed Issue Funding Program is created to:

- *(a) Encourage private insurers to participate in the individual market by establishing a means to allocate the losses that insurers issuing coverage in the individual market incur with respect to policies defined as high-cost policies in Section 14 of this Act;*
- *(b) Provide a mechanism for persons with a high-cost condition to maintain access to coverage in the private insurance market by means of the allocation process in paragraph (a) of this subsection; and*
- *(c) Provide a safety net of insurance coverage to persons with a high-cost condition in areas of Kentucky where alternatives for individual coverage are restricted or unavailable as defined in Section 17 of this Act.*

(4) The Kentucky Guaranteed Issue Funding Program is also designed for the purpose of implementing an acceptable alternative mechanism within the meaning of 42 U.S.C. sec. 300gg-44(a)(1) so that Kentucky may preserve the flexibility over the regulation of health insurance coverage allowed by federal law.

(5) All insurers, reinsurers, and self-insured employer-controlled or bona fide associations, as a condition of doing business in Kentucky, shall participate in the Kentucky Guaranteed Issue Funding Program and be subject to an assessment.

(6) As a condition of doing business in the Commonwealth of Kentucky, all insurers writing health insurance policies and plans in this state shall:

- *(a) 1. Support the program by paying an assessment as defined in Section 14 of this Act; or*
    - *2. Participate in the program by insuring individuals with high-cost conditions; and*
- *(b) Pay their proportionate share of the cost of the program based on their market share, as set forth in Section 14 of this Act.*

(7) During the transition from the effective date of this Act until the date the program begins issuing coverage, the commissioner shall act on behalf of the program.

SECTION 14. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

SECTION 15. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

13 to 22 of this Act;

(b) Take any legal actions necessary, including action to recover or collect assessments due the program;

(f) Provide written reports to the Governor and the Legislative Research Commission annually of all activities of the program. The commissioner shall by administrative regulation determine what reports and data need to be reported.

(2) The commissioner shall, by administrative regulation, establish a list of high-cost conditions based on diagnosis and severity. At the request of an insurer, the commissioner shall hold a hearing to determine whether or not a condition should be listed.

SECTION 16. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) All health insurers may elect to participate in providing health insurance coverage to individuals with a high-cost condition under the Kentucky Guaranteed Issue Funding Program under the following conditions:

(a) Network-based insurers may limit coverage to those benefit plans offered to persons residing in the geographic area covered by the providers network;

(b) A group carrier may elect to offer coverage to persons with a high-cost condition without otherwise operating in the individual market; and

(c) Any participating carrier may limit the number of persons enrolled with a high-cost condition to the proportion of the insurer's market share. A carrier that reaches its enrollment limit during a given month shall immediately notify the commissioner and shall continue issuing coverage throughout the end of that month. High-cost policies that are enrolled with a carrier on the effective date of this Act and health insurance policies that were not high cost at the time of first issuance, but that become high-risk policies, may be counted toward the enrollment cap of a participating carrier.

(2) The commissioner shall publicize a monthly list of participating carriers that offer coverage to individuals with a high-cost condition.

(3) A health insurance policy shall be considered a high-cost policy and is eligible for inclusion in calculating assessments and refunds under the program if it meets all of the following criteria:

(a) The health insurance policy is purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children;

(b) Under the program, an individual entitled to benefits has a defined high-cost condition;

(c) The lifetime claims that have been paid under the health insurance policy have not exceeded one million dollars ($1,000,000). The lifetime claims limit shall not apply if the policy was issued before the effective date of this section, or is a renewal of a policy that was issued before the effective date of this Act;

(d) The health insurance policy imposes the maximum pre-existing condition exclusion permitted under Section 4 of this Act;

(e) The individual purchasing the health insurance policy is not eligible for or covered by other coverage;

(f) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A; and

(g) Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this subsection even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year.

(4) Notwithstanding any other provision of this section, a health insurance issuer shall not be required to utilize the experience of high cost policies under the program to develop index rates for its individual policies under Section 9 of this Act.

SECTION 17. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The program shall create the Kentucky Safety Net plan as an alternative coverage limited to those circumstances listed in subsection (3) of this section.

(2) The Kentucky Safety Net portion of the program shall be operational from the date the program becomes

operational to April 14, 2000.

(3) The Kentucky Safety Net portion of the program shall be made available on a guaranteed issue basis only to persons with a high-cost condition who are not eligible for coverage through an employer or any governmental program, and only under the following circumstances:

(a) There is no health insurance coverage available from a private participating carrier in the geographic area of the individual; or

(b) There is only one (1) participating carrier offering coverage in the geographic area of the individual.

(4) The Kentucky Safety Net portion of the program shall offer two (2) health benefit plans to participants similar to the health benefit plans in existence at the time of the effective date of this Act. Initially, one (1) plan shall be the standard high plan in effect on the effective date of this Act, except that it shall contain a lifetime limit of one million dollars (\$1,000,000) per covered individual. Health benefit plans shall be offered with high and low cost-sharing options. Both plans shall include utilization review and case management.

(a) No pre-existing condition exclusion under the Kentucky Safety Net portion of the program shall be applied to individuals who have eighteen (18) months of creditable coverage with no more than sixty-three (63) days' lapse in coverage prior to application in the program.

(b) A twelve (12) month pre-existing condition exclusion shall be imposed with a credit for prior coverage on individuals who do not meet the requirements of paragraph (a) of this subsection.

(5) Rates for health insurance coverage issued under the Kentucky Safety Net portion of the program shall initially not exceed one hundred fifty percent (150%) of the average statewide rate in the commercial individual market for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(6) Net losses of the Safety Net portion of the program shall be included in the total losses of the program and shall be reimbursed from assessments.

(7) The commissioner shall have the following powers and duties on behalf of the Safety Net portion of the program:

(a) Enter into any contracts as are necessary or proper to carry out the provisions of Sections 13 to 22 of this Act;

(b) Design and offer health insurance policies that are to be available three hundred sixty-five (365) days per year on a guaranteed issue basis to eligible individuals;

(c) Develop a program to publicize the existence of the Safety Net portion of the program, the eligibility requirements for the Safety Net portion of the program, and the procedures for enrollment in the Safety Net portion of the program, and to maintain public awareness of the Safety Net portion of the program;

(d) Determine a fee for licensed insurance agents that place business through, or refer business to, the Safety Net portion of the program;

(e) Provide for reinsurance of risks incurred by the Safety Net portion of the program;

(f) Issue policies of insurance in accordance with the requirements of Sections 13 to 22 of this Act;

(g) Establish and modify from time to time, as appropriate, rates, rate schedules, rate adjustments, expense allowances, agents' referral fees, claim reserve formulas, and any other function appropriate to the operation of the Safety Net portion of the program;

(h) Prepare and distribute application forms and enrollment instruction forms to insurance producers and to the general public;

(i) Appoint or hire appropriate legal, actuarial, and other professionals as necessary to provide technical assistance in the operation of the Safety Net portion of the program;

(j) Provide for and employ cost containment measures and requirements including, but not limited to, preadmission screening, second surgical opinion, concurrent utilization review, and individual case management for the purpose of making the benefit plans more cost-effective; and

(k) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services.

(8) After April 14, 2000, this section shall become null and void.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For a health insurance policy that is a high-cost policy at the time of first issuance, an insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the maximum annual premium that the insurer could charge for an identical health insurance policy with identical benefits issued to the same policyholder but

assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(2) (a) If a health insurance policy that was not a high-cost policy at the time of first issuance thereafter becomes a high-cost policy, the insurer may not increase the premium on account of the health insurance policy becoming a high-cost policy until the date of first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition. Nothing in this subsection shall prohibit an increase in premiums that could be imposed on an equivalent health insurance policy that was not a high-cost policy. At the time of the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) At the time of each subsequent renewal after the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(3) If an individual was not without health insurance coverage for more than sixty-three (63) days immediately preceding the purchase of a high-cost health insurance policy that is eligible under the program, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy. At the time of each subsequent renewal of the high-cost health insurance policy, the insurer may charge an annual premium as allowed under subsection (1) of this section.

(4) (a) Notwithstanding the provisions of subsections (1, (2), and (3) of this section, the commissioner may, for good cause shown, authorize increasing the annual premium on a high-cost policy up to two hundred percent (200%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) Rates for health benefit plans issued by the program shall not exceed two hundred percent (200%) of the average standard rate for similar coverage.

(c) All rates for health benefit plans issued by the program shall be filed with and approved by the commissioner.

SECTION 19. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the commissioner and the program, in the form and at the time as the commissioner by administrative regulation may specify, the following information for that year:

(a) The insurer's total premiums in both the individual and group markets;

(b) The number of high-cost policies in force as of December 31;

(c) The amount of the insurer's high-cost policy premiums received during the calendar year covered by the report;

(d) The amount of the insurer's high-cost policy claims paid during the calendar year covered by the report; and

(e) Such other information as the commissioner may, by administrative regulation, require be reported to operate the program.

Nothing contained in this subsection shall prohibit the commissioner from conducting examinations of insurers participating in the plan as is permitted by KRS 304.2-100 or from exercising other powers as are conferred upon the commissioner or the department by this chapter.

(2) At the end of each calendar year, and based upon the reports filed under subsection (1) of this section, the commissioner shall calculate and provide to each insurer who filed a report the following information relating to the calendar year:

(a) The amount of each reporting insurer's market share;

(b) The total amount of high-cost policy premiums for all reporting insurers;

(c) The total amount of high-cost policy claims paid by all reporting insurers;

(d) The total amount of total actual high-cost policy losses;

(e) The amount of the adjusted total actual high-cost policy losses;

(f) The amount of each insurer's allocated high-cost policy losses;

(g) The amount of the insurer's assessment or refund; and

(h) Such other information as the commissioner may elect to calculate and report.

The commissioner shall complete the calculation and provide each insurer the results of the calculation within forty-five (45) days after the reporting deadline.

(3) The commissioner shall prepare quarterly estimated calculations for the purposes of allowing all insurers to budget for their annual assessments and refunds.

SECTION 20. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, the commissioner shall, by administrative regulation promulgated within ninety (90) days of the effective date of this Act, require that high-cost policies contain cost containment features, including managed care and utilization management, to control the amount of high-cost policy losses without creating adverse health care outcomes. If the commissioner fails to timely promulgate administrative regulations, health insurance issuers shall impose cost containment features.

(2) The Health Insurance Advisory Council shall no less than annually review the list of high-cost conditions established by the commissioner under subsection (12) of Section 14 of this Act and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes the commissioner deems appropriate. In making recommendations the council, and in making changes the commissioner, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.

(3) For each calendar year that the program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Each reinsurer shall pay an annual assessment to the program in an amount that is equal to two dollars ($2) upon each one hundred dollars ($100) of reinsurance premiums.

SECTION 22. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Assessments from insurers shall be paid within thirty (30) days after written notice is mailed or delivered to the assessed insurer.

(2) Assessments from reinsurers shall be paid quarterly according to a procedure established by the commissioner by administrative regulation.

(3) Assessments shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located. In addition to being assessed interest, an insurer that fails to timely pay an assessment shall be in violation of this chapter.

(4) All assessments shall be paid in trust for the exclusive benefit of insurers who participate in the program to a single depository designated in accordance with KRS 304.8-090(1) under a trust agreement in accordance with KRS 304.8-095. The moneys in the trust shall be held separate and apart from any other funds or moneys of any insurer and of the state and shall be used and administered exclusively for the purposes of the program. Withdrawals from the trust shall be made solely for:

(a) Payments of refunds;

(b) Payments of overpayments made by an insurer;

(c) Payments of administrative costs for the administration of the trust, as specified in the trust agreement, but not to exceed the extent of earnings on the prudent investment of the assets of the trust; and

(d) For other purposes necessary to administer the program as the commissioner may by administrative regulation specify, except that the commissioner may not cause his or her expenses or the expenses of the

department or of any agency of the state to be paid from the trust.

The commissioner, the State Treasurer, the State Auditor, the Attorney General, and any insurer may inspect the records of the trust during the business hours of the depository.

(5) A refund may be only paid by the depository trustee upon receipt of a written instruction to pay a refund signed by the commissioner or the commissioner's designee, and the depository trustee shall promptly pay a refund upon receipt of a proper instruction. The commissioner shall instruct the depository trustee to make a required refund no later than forty-five (45) days after written notice to the insurer of the commissioner's calculation. All refunds shall be paid in lawful money of the United States and shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located.

(6) After collecting all assessments to pay for the program, paying all refunds to participating carriers, and paying other administrative costs for each fiscal year, the commissioner shall calculate whether there remain any excess sums on deposit in the trust. Any excess, less any necessary reserves for the operation of the program as certified by the depository trustee, shall be refunded to all insurers who participated in the program for the entire fiscal year in proportion to their market share at the end of the prior year.

(7) Except for records that individually or in the aggregate would or could likely disclose information about the physical or mental condition of an individual, the records of the trust and its operation shall be considered public records for purposes of the Kentucky Open Records Law, KRS 61.870 to 61.884.

(2) An insurer who participates in the Kentucky Guaranteed Issue Funding Program shall be entitled to a credit against any insurer tax due and payable in the year in which the insurer tax is due and payable. The amount of the tax credit shall be equal to the amount of the insurer's assessment less the amount of refunds paid to the insurer.

SECTION 1. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health insurance coverage issued or renewed on or after January 1, 1998, shall comply with the following provisions:

(1) A health insurance issuer shall be required to offer health insurance coverage on a guaranteed issue basis as follows:

(a) With respect to individual health insurance coverage, the health insurance issuer must issue coverage, at the applicant's election, under either the standard health benefit plan or the health insurance policy (other than the standard health benefit plan) sold by it in the individual market with the largest annual premium volume if the applicant:

1. Is an eligible individual; or

2. Has been a resident of Kentucky for at least twelve (12) months immediately preceding the effective date of the policy, and has not had his or her most recent health insurance coverage terminated based upon fraud, misrepresentation, or intentional and abusive noncompliance with the provisions of the health insurance contract.

During the period January 1, 1998, to December 31, 1998, a health insurance issuer may elect, in lieu of the option under subparagraph 2. of this paragraph, to provide all persons who are not eligible individuals with a choice of the standard health benefit plan and any one (1) other health insurance policy (other than the standard health benefit plan) made generally available to, and actively marketed in, the individual market;

(b) With respect to a group health plan, only to the extent required by 42 U.S.C. sec. 300gg-11. In applying the requirements of 42 U.S.C. sec. 300gg-11, a health insurance issuer may establish employer contribution rules or group participation rules as permitted by 42 U.S.C. sec. 300gg-11(e); and

(c) With respect to members of a purchasing cooperative, the purchasing cooperative may elect to have the requirements of either paragraph (a) or (b) of this subsection apply to it.

(2) (a) Except as provided in subsection (3) of this section, all health insurance coverage shall be renewable:

1. With respect to individual health insurance coverage, only to the extent required by 42 U.S.C. sec. 300gg-42;

2. With respect to a group health plan, only to the extent required by the provisions of 29 U.S.C. sec. 1183 and 42 U.S.C. sec. 300gg-12 as applicable; and

3. With respect to a purchasing cooperative:

a. A purchasing cooperative that has elected the requirements of paragraph (a) of subsection (1) of this section shall be governed by the requirements of paragraph (a)1. of this subsection; and

b. A purchasing cooperative that has elected the requirements of paragraph (b) of subsection (1) of this section shall be governed by the requirements of paragraph (a)2. of this subsection.

(b) The provisions of this subsection do not apply to an individual qualified to participate in the Kentucky guarantee issue funding program.

(3) Health insurance coverage shall not be required to be issued or renewed if the commissioner finds:

(a) That the issuance or continuation of the coverage would not be in the best interests of the policyholders or certificate holders or would impair the ability of the health insurance issuer who provides the health insurance coverage to meet its contractual obligations. In that instance, the commissioner shall assist affected individuals in finding comparable coverage; or

(b) That the health insurance coverage not being renewed is obsolete and is being replaced with comparable health insurance coverage.

To the extent permitted by federal law, the exceptions from required issuance or renewal established by this subsection shall be in addition to the exceptions provided for in 42 U.S.C. secs. 300gg-11(c) to (f) and 42 U.S.C. secs.

300gg-42(b) to (e).

(4) As to pre-existing condition exclusion provisions:

(a) With respect to an eligible individual, the health insurance policy may not impose any pre-existing condition exclusion; and

(b) With respect to any person who is not an eligible individual, the health insurance policy or health insurance plan may only impose a pre-existing condition exclusion that is permitted to a group health insurance policy under 42 U.S.C. sec. 300gg.

1. In applying the pre-existing condition exclusions, a pre-existing condition exclusion relating to pregnancy may be imposed against an individual who is not an eligible individual.

2. Prior to January 1, 1998, the commissioner shall promulgate administrative regulations, relating to the methods of crediting coverage for persons purchasing coverage in the individual market who are not eligible individuals, that are designed to discourage individuals from switching to policies that provide more generous coverage because the individuals know or reasonably suspect that they have contracted or are suffering from a condition for which more generous coverage is provided.

(5) A health insurance issuer shall not discriminate against any provider who is located within the geographic coverage area of the health insurance coverage and is willing to meet the terms and conditions for participation established by the health insurance issuer.

(6) A Kentucky non-federal governmental plan may make an election under 42 U.S.C. sec. 300gg-21(b)(2)(A).

SECTION 2. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A health insurance issuer is not required to offer both health insurance plans and health insurance policies and may elect to offer either health insurance plans or health insurance policies, or both.

(2) A health insurance issuer may select its form or forms of coverage notwithstanding any other provision of this subtitle. A health insurance issuer shall still comply with the provisions of this subtitle and the other applicable provisions of this chapter as they apply with respect to the form or forms of coverage selected.

(3) A health insurance issuer that voluntarily ceased to do business in Kentucky during the period between July 15, 1994, and the effective date of this Act and that properly complied with any notice and cancellation provisions of KRS 304.17A-110(1)(d) applicable at the time the health insurance issuer ceased doing business in Kentucky shall be permitted to reenter Kentucky until the date nine (9) months after the effective date of this Act and offer health insurance policies, health insurance plans, or both. For good cause shown and upon such terms and conditions as the commissioner may reasonably impose for the purpose of encouraging future compliance with the provisions of this chapter and of promoting increased availability of health insurance coverage to Kentucky residents, the commissioner may permit reentry notwithstanding the failure of the health insurance issuer to comply with any notice and cancellation provisions of KRS 304.17A-110(1)(d) applicable at the time the health insurance issuer ceased doing business in Kentucky.

(4) All health insurance plans and policies delivered, issued, or renewed on or after the effective date of this Act shall include coverage for hospice care at least equal to the Medicare benefits.

(5) Health insurance plans and policies delivered, issued, or renewed under the provisions of this subtitle shall be subject to the mandatory benefits and coverages provided in Subtitles 17, 18, 32, and 38 of this chapter.

SECTION 3. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall, by administrative regulations, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after December 31, 1997. The health insurance issuer must issue coverage under the standard health benefit plan and the health insurance policy sold by it with the largest annual premium volume in the individual and small group markets. Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially the standard health benefit plan shall be the standard high plan in effect on the effective date of this Act, except that it shall contain a lifetime limit of one million dollars ($1,000,000) per covered individual. The maximum lifetime limit under this subsection shall not be altered by the commissioner, and no actuarial equivalent benefit shall be submitted by the commissioner.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point of service type; and

(d) A preferred provider organization type.

(3) The standard health benefit plan shall be defined so that it meets the requirements of Section 19 of this Act for inclusion in calculating assessments and refunds under the Kentucky Guaranteed Issue Funding Program.

(4) Any health insurance issuer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health insurance policies in this state after December 31, 1997, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage which the health insurance issuer offers to sell.

(5) Nothing in this section shall be construed:

(a) To require a health insurance issuer to offer a standard health benefit plan in a form of coverage that the health insurance issuer has not selected;

(b) To prohibit a health insurance issuer from offering other health insurance coverage in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurance issuer would be required to provide under Section 2 of this Act.

(6) If a standard health benefit plan or any other health insurance coverage issued by a health insurance issuer covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212 in medically underserved areas designated by the Cabinet for Human Resources, that health insurance issuer shall pay the plan's established rate for those services to the health department.

(7) Insurance agents licensed under this chapter who present for sale any health insurance coverage in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same health insurance issuer.

(8) (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health insurance policy being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health insurance policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health insurance coverage, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurance issuer for one (1) year, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (7) of this section, the term "prospective applicant" refers to a natural person who is a resident of the Commonwealth who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or to the person's children or an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(9) All health insurance contracts shall coordinate benefits with other health insurance contracts in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(10) Every health insurance issuer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers a health insurance contract in this state that directs or gives any incentives to insureds to obtain health care services

from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the health insurance issuer or an agreement by the provider to abide by the terms for participation established by the health insurance issuer. This requirement to have written contracts shall apply whenever a health insurance issuer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the health insurance issuer's insured. The obligation set forth in this section for a health insurance issuer to have written contracts with providers selected for use by the health insurance issuer shall not apply to emergency or out-of-area services.

SECTION 4. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) No health insurance issuer shall deliver or issue for delivery in this state after December 31, 1997, any health insurance contract, or any endorsement, rider, or application that becomes a part thereof, until the form has been filed with and approved by the commissioner under this section.

(2) Each health insurance issuer issuing or renewing health insurance contracts in this state, before use thereof and as frequently as the issuer deems appropriate, shall file with the commissioner and the Attorney General its proposed premium rates and classification rates. The health insurance issuer shall demonstrate that all rates are within the restrictions required by this subtitle.

(3) Premiums for each health insurance plan or health insurance policy may be determined on the basis of any factor deemed necessary by the health insurance issuer, including age, gender, occupation or industry, geography, family composition, insurance policy design, health status, and cost containment provisions.

(4) The proposed rates shall not be approved by the commissioner unless the commissioner has determined that the proposed rates are reasonable. In determining reasonableness, the commissioner shall consider, among other factors:

(a) Whether the proposed rate is based upon actuarially valid changes in risk associated with the enrolled population;

(b) Whether the proposed rate is based upon actuarially valid changes that result from a change in state law, if any;

(c) Whether the proposed rate is excessive;

(d) Whether the proposed rate is unfairly discriminatory;

(e) Whether the benefits provided are reasonable in relation to the premiums charged; and

(f) Previous premium rates for the contracts to which the filing applies.

(5) No filing under subsection (1) of this section shall become effective until the commissioner has approved the filing. Should forty-five (45) days expire after the commissioner receives a form filing before approval or disapproval of the filing, the form shall be deemed approved.

(6) (a) A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing must be approved by the commissioner within forty-five (45) days after the date of filing. Should forty-five (45) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within forty-five (45) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General may participate as a health insurance consumer intervenor and be considered a party to the hearing.

(b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (4) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurance issuer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (4) of this section the commissioner determines the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect. Any premium refund shall be limited to the excess premium charged during a four (4) month retroactive period ending on the date of the commissioner's

final order reducing rates.

(7) The health insurance issuer shall adhere to its rates and classifications as approved by the commissioner.

(8) For each health insurance contract sold, the rate to the specific purchaser shall be guaranteed for the longer of twelve (12) months or the actual contract length.

(k) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services; and

(l) Establish and update annually provider reimbursement rates that assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available under the plan at least to the extent that such care and services are available to the general population.

(9) After April 14, 2000, this section shall become null and void.

SECTION 20. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For a health insurance policy that is a high-cost policy at the time of first issuance, an insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the maximum annual premium that the insurer could charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(2) (a) If a health insurance policy that was not a high-cost policy at the time of first issuance thereafter becomes a high-cost policy, the insurer may not increase the premium on account of the health insurance policy becoming a high-cost policy until the date of first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition. Nothing in this subsection shall prohibit an increase in premiums that could be imposed on an equivalent health insurance policy that was not a high-cost policy. At the time of the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) At the time of each subsequent renewal after the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been

diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(3) If an individual was not without health insurance coverage for more than sixty-three (63) days immediately preceding the purchase of a high-cost health insurance policy that is eligible under the program, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy. At the time of each subsequent renewal of the high-cost health insurance policy, the insurer may charge an annual premium as allowed under subsection (1) of this section.

(4) (a) Notwithstanding the provisions of subsections (1, (2), and (3) of this section, the commissioner may, for good cause shown, authorize increasing the annual premium on a high-cost policy up to two hundred percent (200%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) Rates for health benefit plans issued by the program shall not exceed two hundred percent (200%) of the average standard rate for similar coverage.

(c) All rates for health benefit plans issued by the program shall be filed with and approved by the commissioner.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the commissioner and the program, in the form and at the time as the commissioner by administrative regulation may specify, the following information for that year:

(a) The insurer's total premiums in both the individual and group markets;

(b) The number of high-cost policies in force as of December 31;

(c) The amount of the insurer's high-cost policy premiums received during the calendar year covered by the report;

(d) The amount of the insurer's high-cost policy claims paid during the calendar year covered by the report; and

(e) Such other information as the commissioner may, by administrative regulation, require be reported to operate the program.

Nothing contained in this subsection shall prohibit the commissioner from conducting examinations of insurers participating in the plan as is permitted by KRS 304.2-100 or from exercising other powers as are conferred upon the commissioner or the department by this chapter.

(2) At the end of each calendar year, and based upon the reports filed under subsection (1) of this section, the commissioner shall calculate and provide to each insurer who filed a report the following information relating to the calendar year:

(a) The amount of each reporting insurer's market share;

(b) The total amount of high-cost policy premiums for all reporting insurers;

(c) The total amount of high-cost policy claims paid by all reporting insurers;

(d) The total amount of total actual high-cost policy losses;

(e) The amount of the adjusted total actual high-cost policy losses;

(f) The amount of each insurer's allocated high-cost policy losses;

(g) The amount of the insurer's assessment or refund; and

(h) Such other information as the commissioner may elect to calculate and report.

The commissioner shall complete the calculation and provide each insurer the results of the calculation within forty-five (45) days after the reporting deadline.

(3) The commissioner shall prepare quarterly estimated calculations for the purposes of allowing all insurers to budget for their annual assessments and refunds.

SECTION 22. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, the commissioner shall, by administrative regulation promulgated within ninety (90) days of the effective date of this Act, require that high-cost policies contain cost

containment features, including managed care and utilization management, to control the amount of high-cost policy losses without creating adverse health care outcomes. If the commissioner fails to timely promulgate administrative regulations, health insurance issuers shall impose cost containment features.

(2) The Health Insurance Advisory Council shall no less than annually review the list of high-cost conditions established by the commissioner under subsection (12) of Section 17 of this Act and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes the commissioner deems appropriate. In making recommendations the council, and in making changes the commissioner, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.

(3) For each calendar year that the program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

SECTION 23. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Each reinsurer shall pay an annual assessment to the program in an amount that is equal to two dollars ($2) upon each one hundred dollars ($100) of reinsurance premiums.

SECTION 24. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Assessments from insurers shall be paid within thirty (30) days after written notice to the assessed insurer.

(2) Assessments from reinsurers shall be paid quarterly according to a procedure established by the commissioner by administrative regulation.

(3) Assessments shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located. In addition to being assessed interest, an insurer that fails to timely pay an assessment shall be in violation of this chapter.

(4) All assessments shall be paid in trust for the exclusive benefit of insurers who participate in the program to a single depository designated in accordance with KRS 304.8-090(1) under a trust agreement in accordance with KRS 304.8-095. The moneys in the trust shall be held separate and apart from any other funds or moneys of any insurer and of the state and shall be used and administered exclusively for the purposes of the program. Withdrawals from the trust shall be made solely for:

(a) Payments of refunds;

(b) Payments of overpayments made by an insurer;

(c) Payments of administrative costs for the administration of the trust, as specified in the trust agreement, but not to exceed the extent of earnings on the prudent investment of the assets of the trust; and

(d) For other purposes necessary to administer the program as the commissioner may by administrative regulation specify, except that the commissioner may not cause his or her expenses or the expenses of the department or of any agency of the state to be paid from the trust.

The commissioner, the State Treasurer, the State Auditor, the Attorney General, and any insurer may inspect the records of the trust during the business hours of the depository.

(5) A refund may be only paid by the depository trustee upon receipt of a written instruction to pay a refund signed by the commissioner or the commissioner's designee, and the depository trustee shall promptly pay a refund upon receipt of a proper instruction. The commissioner shall instruct the depository trustee to make a required refund no later than forty-five (45) days after written notice to the insurer of the commissioner's calculation. All refunds shall be paid in lawful money of the United States and shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located.

(6) After collecting all assessments to pay for the program, paying all refunds to participating carriers, and paying other administrative costs for each fiscal year, the commissioner shall calculate whether there remain any excess sums on deposit in the trust. Any excess, less any necessary reserves for the operation of the program as certified by the depository trustee, shall be refunded to all insurers who participated in the program for the entire fiscal year in proportion to their market share at the end of the prior year.

(7) Except for records that individually or in the aggregate would or could likely disclose information about the physical or mental condition of an individual, the records of the trust and its operation shall be considered public records for purposes of the Kentucky Open Records Law, KRS 61.870 to 61.884.

SECTION 25. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, unless the context requires otherwise:

(b) "Allocated high-cost policy losses" has the same meaning as in Section 17 of this Act.

(2) An insurer who participates in the Kentucky Guaranteed Issue Funding Program shall be entitled to a credit against any insurer tax due and payable in the year in which the insurer tax is due and payable. The amount of the tax credit shall be equal to the amount of the insurer's assessment less the amount of refunds paid to the insurer.

(3) If the amount of the insurer tax for any year is less than the amount of tax credit allowed under subsection (2) of this section, the insurer may apply any unused tax credit against insurer taxes due and payable in any of the next five (5) years.

Section 26. KRS 304.2-310 is amended to read as follows:

(1) The commissioner may hold a hearing, without request by others, for any purpose within the scope of this code.

(2) The commissioner shall hold a hearing:

(a) If required by any other provision of this code; or

(b) Upon written application for a hearing by a person aggrieved by any act, threatened act, or failure of the commissioner to act, or by any report, administrative regulation, or order of the commissioner (other than an order for the holding of a hearing, or a final order entered after a hearing, of which hearing the person had notice). Any application for a hearing shall be filed in the department within sixty (60) days after the person knew or reasonably should have known, of the act, threatened act, failure, report, administrative regulation, or order, unless a different period is provided for by other laws applicable to the particular matter, in which case the other law shall govern.

(3) Any application for a hearing shall briefly state the respects in which the applicant is so aggrieved, together with the grounds to be relied upon as a basis for the relief to be sought at the hearing.

(4) ***(a)*** If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if his grounds are established, he shall hold the hearing in accordance with KRS Chapter 13B.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the commissioner shall hold a hearing in accordance with KRS Chapter 13B upon timely written application by an insurer aggrieved by the commissioner's conduct in administering the Kentucky Guaranteed Issue Funding Program. After completion of the hearing, the commissioner may assess the insurer who requested the hearing for the costs of the hearing if the commissioner finds that the application was not made in good faith.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, the commissioner shall not suspend or postpone the effective date of any order requiring an insurer to pay an assessment to the Kentucky Guaranteed Issue Funding Program.

SECTION 27. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

A person who is not a state employee but who purchased health insurance coverage available to state employees prior to January 1, 1998, shall be permitted to continue that health insurance coverage for the remainder of the current policy period unless the policy is lawfully terminated prior to that time.

(2) Health insurance policies issued under KRS 18A.225 or 18A.2281 to persons who are not state employees shall not be eligible for inclusion in the Kentucky Guaranteed Issue Funding Program.

(3) For purposes of determining if a person is an "eligible individual" within the meaning of Section 1 of this Act, when a policy of health insurance coverage is not permitted to be renewed because of subsection (1) of this section, a person's coverage under that policy shall automatically be deemed to have been for the period of eighteen (18) months.

Section 28. KRS 304.48-030 is amended to read as follows:

(1) This subtitle applies to a group or association of health facility and health services institutions subject to the certificate of need and licensure provisions of KRS Chapter 216B or a group of Kentucky for profit corporations (as defined in KRS Chapter 271B), or the members of a bona fide association, including liability self-insurance groups composed of any number of members, who join together to self-insure against ***the following:***

(b) The costs of designated medical care for officers, directors, members, employees, or their spouses and dependents, of those persons who join together to self-insure.

(2) Any self-insurance group operating under a certificate of filing as of July 15, 1994, shall have one (1) year from July 15, 1994, to comply with all provisions of this subtitle. '

Section 29. KRS 304.48-180 is amended to read as follows:

(2) The rates of a liability self-insurance group that self-insures medical care shall be automatically approved by the commissioner if the rates are equivalent to those specified in Section 15 of this Act.

SECTION 30. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 31 to 44 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:

1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;

2. Serious impairment to bodily functions; or

3. Serious dysfunction of any bodily organ or part; or

(b) With respect to a pregnant woman who is having contractions:

1. That there is inadequate time to effect a safe transfer to another hospital before delivery; or

2. That transfer may pose a threat to the health or safety of the woman or the unborn child.

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not use generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-

reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph will not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed will be considered experimental or investigational.

(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;

(c) Demonstrated evidence as reflected in the published peer-review medical literature shall exist that over time the technology leads to improvement in health outcomes, such as the beneficial effects outweigh any harmful effects;

(d) Proof as reflected in the published peer-reviewed medical literature shall exist that the technology is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in which established technology is not employable; and

(e) Proof as reflected in the published peer-reviewed medical literature shall exist that improvements in health outcomes, as defined in paragraph (c) of this subsection, is possible in standard conditions of medical practice, outside clinical investigatory settings;

(6) "Grievance" means a written complaint submitted by or on behalf of an enrollee;

(7) "Health insurance contract" has the meaning it is given in Section 1 of this Act;

(8) "Insurer" means "health insurance issuer" as defined in Section 1 of this Act;

(9) "Managed care plan" means a health insurance policy that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers, who are selected to participate on the basis of explicit standards, to furnish a comprehensive set of health care services and financial incentives for covered persons to use the participating providers and procedures provided for in the plan;

(10) "Participating health care provider" means a health care provider that has entered into an agreement with an insurer to provide health care services to an enrollee in its managed care plan;

(11) "Quality assurance or improvement" means the ongoing evaluation by a managed care plan of the quality of health care services provided to its enrollees;

(12) "Record" means any written, printed, or electronically recorded material maintained by a provider in the course of providing health services to a patient concerning the patient and the services provided. "Record" also includes the substance of any communication made by a patient to a provider in confidence during or in connection with the provision of health services to a patient or information otherwise acquired by the provider about a patient in confidence and in connection with the provision of health services to a patient; and

(13) "Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the plan. The system may include: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures, and retrospective review.

(h) The procedure to initiate an appeal through the process under KRS 211.464(1)(g);

(i) Measures in place to ensure the confidentiality of the relationship between an enrollee and a health care provider; and

(j) Other information as the commissioner shall require by administrative regulation.

(2) The insurer shall file the information required under this section with the department.

SECTION 32. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) In addition to the disclosure requirements provided in Section 32 of this Act, an insurer that offers a managed care plan shall disclose to an enrollee, in writing, in a manner consistent with KRS 304.14-420 to 304.14-450, the following information at the time of enrollment and upon request:

(a) A current participating provider directory providing information on a covered person's access to primary care physicians and specialists, including available participating physicians, by provider category or specialty and by county. (d) The availability through the department, upon request of a member of the general public, of independent consumer satisfaction survey results and where valid an analysis of quality outcomes of health care services of managed care plans in the state.

The insurer shall provide a prospective enrollee with information about the provider network, including hospital affiliations, and other information specified in this subsection, upon request.

(2) Upon request of a covered person, an insurer shall promptly inform the person:

(a) Whether a particular network physician is board certified; and

(b) Whether a particular network physician is currently accepting new patients.

(3) Each insurer shall annually make available to its enrollees at its principal office and place of business:

(a) Its most recent annual statement of financial condition including a balance sheet and summary of receipts and disbursement; and

(b) A current description of its organizational structure and operation.

SECTION 33. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A managed care plan shall arrange for a sufficient number and type of primary care providers and specialists throughout the plan's service area to meet the needs of enrollees. Each managed care plan shall demonstrate that it offers:

(a) An adequate number of accessible acute care hospital services, where available;

(b) An adequate number of accessible primary care providers, including family practice and general practice physicians, internists, obstetricians/gynecologists, and pediatricians, where available;

(c) An adequate number of accessible specialists and subspecialists, and when the medical specialist needed for a specific condition is not represented on the plan's list of participating specialists, enrollees have access to nonparticipating health care providers with prior plan approval;

(d) The availability of specialty medical services; and

(e) A provider network that is available to all persons enrolled in the plan within thirty (30) miles or thirty (30) minutes of each person's place of residence, to the extent those services are available.

(2) A managed care plan shall provide telephone access to the plan during business hours to ensure plan approval of nonemergency care. A managed care plan shall provide adequate information to enrollees regarding access to

urgent and emergency care.

(3) A managed care plan shall establish reasonable standards for waiting times to obtain appointments, except as provided for emergency care.

(4) A managed care plan shall cover emergency-room screening and stabilization without prior authorization as needed for conditions that reasonably appear to constitute an emergency medical condition, based on the patient's presenting symptoms. To promote continuity of care and optimal care by the treating physician, the emergency department should contact the patient's primary care physician as soon as possible.

SECTION 34. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) An enrollee shall have adequate choice among participating primary care providers in a managed care plan who are accessible and qualified.

SECTION 35. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Selection or participation standards based on the economics or capacity of a provider's practice shall be adjusted to account for case mix, severity of illness, patient age and other features they may account for higher than or lower than expected costs. All data profiling or other data analysis pertaining to participating providers shall be done in a manner which is valid and reasonable. Plans shall not use criteria that would allow an insurer to avoid high-risk populations by excluding providers because they are located in geographic areas that contain populations or providers presenting a risk of higher-than-average claims, losses, or health services utilization or that would exclude providers because they treat or specialize in treating populations presenting a risk of higher-than-average claims, losses, or health services utilization.

(2) Each insurer shall establish mechanisms for soliciting and acting upon applications for provider participation in the plan in a fair and systematic manner. These mechanisms shall, at a minimum, include:

(a) Allowing all providers who desire to apply for participation in the plan an opportunity to apply at any time during the year or, where an insurer does not conduct open continuous provider enrollment, the insurer shall conduct a provider enrollment period at least annually with the date publicized to providers located in the geographic service area of the plan at least thirty (30) days in advance of the enrollment periods; and

(b) Making criteria for provider participation in the plan available to all applicants.

(4) An insurer that offers a managed care plan shall establish a policy governing the removal of and withdrawal by health care providers from the provider network that includes the following:

(a) The insurer shall inform a participating health care provider of the insurer's removal and withdrawal policy at the time the insurer contracts with the health care provider to participate in the provider network, and when changed thereafter;

(b) If a participating health care provider's participation will be terminated or withdrawn prior to the date of the termination of the contract as a result of a professional review action, the insurer and participating health care provider shall comply with the standards in 42 U.S.C. sec. 11112; and

(c) If the insurer finds that a health care provider represents an imminent danger to an individual patient or to the public health, safety, or welfare, the medical director shall promptly notify the appropriate professional state licensing board.

SECTION 36. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

SECTION 9. A NEW SECTION OF SUBTITLE 17 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insurer that, on or after July 15, 1995 until the effective date of this Act, issued standard health benefit plans under KRS 304.17A-160 and then ceased doing business in Kentucky, may apply to the commissioner on or after the effective date of this Act to reenter Kentucky and engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

SECTION 10. A NEW SECTION OF SUBTITLE 18 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

An insurer that, on or after July 15, 1995 until the effective date of this Act, issued standard health benefit plans under to KRS 304.17A-160 and then ceased doing business in Kentucky, may apply to the commissioner on or after the effective date of this Act to reenter Kentucky and engage in the health insurance business notwithstanding the provisions of KRS 304.17A-110(1)(d) as it existed on the date the insurer ceased doing business in Kentucky.

Section 11. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within thirty (30) days after receiving a filing under this subtitle containing a rate increase, and after the hearing shall issue a final order approving or disapproving the filing.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

(3) The commissioner shall notify the Attorney General in writing of the hearing and of the premium increase to be considered. The Attorney General shall be considered a party to the hearing if he chooses to participate.

(4) No insurer receiving the commissioner's approval of a filing under this section shall submit a new filing containing a rate increase for any of the same policies until at least six (6) months have elapsed following the effective date of the approved increase.

(5) At any time, the commissioner, after an administrative hearing may withdraw approval of rates previously approved under this section if he determines that the benefits are no longer reasonable in relation to the premium charged. Administrative hearings conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B.

(6) (a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. This loss ratio guarantee shall be in writing and shall contain at least the following:

1. A recitation of the anticipated loss ratio standards contained in the original actuarial memorandum filed with the policy form when it was originally approved by the commissioner;

2. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the loss ratio standards referred to in subparagraph 1. of this paragraph. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;

3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;

4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated

loss ratio standards referred to in subparagraph 1. of this paragraph. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and

5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to the Department of Insurance.

(b) As used in this subsection, the term "loss ratio" means the ratio of incurred claims to earned premium by number of years of policy duration, for all combined durations.

(7) (a) At renewal the insurer may replace modified community rates with rates determined in accordance with paragraph (b) of this subsection.

(b) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%).

(c) For purposes of this subsection, "index rate" means, for each class of business as to a rating period, the arithmetic average of the applicable base premium rate and the corresponding highest premium rate.

Section 12. KRS 304.14-130 is amended to read as follows:

(1) The commissioner shall disapprove any form filed under KRS 304.14-120, or withdraw any previous approval thereof, only on one (1) or more of the following grounds:

(a) If it is in any respect in violation of, or does not comply with, this code.

(b) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.

(c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in such size of type or manner of reproduction as to be substantially illegible.

(d) If it excludes coverage for human immunodeficiency virus infection or acquired immunodeficiency syndrome or contains limitations in the benefits payable, or in the terms or conditions of the contract, for human immunodeficiency virus infection or acquired immunodeficiency syndrome which are different than those which apply to any other sickness or medical condition.

(e) As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.

(2) The insurer shall not use in this state any such form after disapproval or withdrawal of approval.

Section 13. KRS 367.160 is amended to read as follows:

(1) All departments, agencies, officers, and employees of the Commonwealth shall fully cooperate with the Attorney General in carrying out the functions of KRS 367.120 to 367.300.

[~~(3) The persons designated by the Attorney General as health insurance consumer intervenors shall have the same access to material evidence and information of the commissioner of the Department of Insurance relating to any health insurance rate hearings before it as other parties to the hearing.~~]

Section 14. KRS 304.18-050 is amended to read as follows:

[~~(1)~~]Any contract of group health insurance may provide for the readjustment of the rate of premium based upon the experience thereunder.

[~~(2) Notwithstanding any other provision of any subtitle of this chapter, any standard health benefit plan or contract of group health insurance issued to an eligible association shall not be required to determine the amount or rate of premium thereunder using a community rating methodology or a modified community rating methodology and may determine the amount or rate of premium based upon the experience or projected experience thereunder without restriction.~~

~~(3) As used in this section, "eligible association" means an organization which meets all of the following criteria:~~

~~(a) Was in existence on January 30, 1996;~~

~~(b) Is either an association within the meaning of KRS 304.18-020(1)(b) or the trustees of a fund established by one (1) or more associations within the meaning of KRS 304.18-020(1)(c);~~

~~(c) Does not deny membership in the organization on the basis of health status or claims experience;~~

~~(d) Does not exclude members or employees of members or their dependents from eligibility under any standard~~

~~health benefit plan or contract of group health insurance purchased by the organization on the basis of health status or claims experience; and~~

~~(e) Complies with those provisions of Subtitle 17A of this chapter, if any, relating to the renewability or portability of health benefit plans, coverage of pre-existing conditions, and issuance on a guaranteed-issue basis but is not required to comply with any other provisions of Subtitle 17A of this chapter.~~

~~(4) If an organization is otherwise qualified under the criteria of subsection (3) of this section but which, as of January 30, 1996, does not offer group health insurance to its members, the organization shall be prohibited from offering any group health insurance program unless, by September 1, 1996, it has applied for approval from the Department of Insurance pursuant to Subtitle 18 of this chapter and the applicable administrative regulations promulgated under that subtitle.~~

~~(5) Eligible associations that purchase, put together, or assist in purchasing any standard health benefit plan or policy of group health insurance authorized or permitted under this section shall not be considered, for any purpose under this chapter, to be discriminating in their activities based on health status or historical or projected claims experience.~~

~~(6)~~] If a policy dividend is declared or a reduction in rate is made or continued for the first or any subsequent year of insurance under any policy of group health insurance issued prior to or after June 18, 1970, to any policyholder, the excess, if any, of the aggregate dividends or rate reductions under such policy and all other group insurance policies of the policyholder over the aggregate expenditure for insurance under such policies made from funds contributed by the policyholder, or by an employer or insured persons, or by a union or association to which the insured persons belong, including expenditures made in connection with administration of such policies, shall be applied by the policyholder for the sole benefit of insured employees or members.

[~~(7) Without limiting the general application of this section, the provisions of this section shall apply to any standard health benefit plan or contract of group health insurance issued to an eligible association and which is issued by a health maintenance organization holding a certificate of authority issued pursuant to Subtitle 38 of this chapter.~~]

Section 15. KRS 304.14-120 is amended to read as follows:

(1) No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or indorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with and approved by the commissioner. This provision shall not apply to[~~ standard health care benefit plans established under KRS 304.17A-160, or to~~] surety bonds, or to specially-rated inland marine risks, or to policies, riders, indorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject, or which relate to the manner or distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. As to group insurance policies issued and delivered to an association outside this state but covering persons resident in this state, all or substantially all of the premiums for which are payable by the insured members, the group certificates to be delivered or issued for delivery in this state shall be filed with and approved by the commissioner. As to forms for use in property, marine (other than wet marine and transportation insurance), casualty and surety insurance coverages the filing required by this subsection may be made by rating organizations on behalf of its members and subscribers; but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

(2) Every such filing shall be made not less than sixty (60) days in advance of any such delivery. At the expiration of such sixty (60) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than a thirty (30) day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial sixty (60) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(5) Appeals from orders of the commissioner disapproving any such form or withdrawing a previous approval shall be taken as provided in Subtitle 2 of this chapter.

SECTION 26. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 26 to 39 of this Act, unless the context requires otherwise:

(1) "Contract holder" means an employer or organization that purchases a contract for services;

(2) "Covered person" means a person on whose behalf an insurer offering the plan is obligated to pay benefits or provide services under the health insurance policy;

(3) "Emergency medical condition" means:

- *(a) A medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected to result in:*
  - *1. Placing the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child, in serious jeopardy;*
  - *2. Serious impairment to bodily functions; or*
  - *3. Serious dysfunction of any bodily organ or part; or*
- *(b) With respect to a pregnant woman who is having contractions:*
  - *1. A situation in which there is inadequate time to effect a safe transfer to another hospital before delivery; or*
  - *2. A situation in which transfer may pose a threat to the health or safety of the woman or the unborn child.*

(4) "Enrollee" means a person who is enrolled in a managed health care plan;

(5) "Experimental treatment" means services or supplies, including treatments, procedures, hospitalizations, drugs, biological products or medical devices, which a peer review panel determines are not of proven benefit for the particular diagnosis or treatment of the covered person's particular condition, or not generally recognized by the medical community as effective or appropriate for the particular diagnosis or treatment of the covered person's particular condition, or provided or performed in special settings for research purposes or under a controlled environment or clinical protocol. Unless otherwise required by law with respect to drugs that have been prescribed for the treatment of a type of cancer for which the drug has not been approved by the United States Food and Drug Administration, the plan shall not cover any services or supplies including treatment, procedures, drugs, biological products, or medical devices or any hospitalization in connection with experimental or investigational services or supplies. The plan shall also not cover any technology or any hospitalization in connection with that technology if that technology is obsolete or ineffective and is not used generally by the medical community for the particular diagnosis or treatment of the covered person's particular condition. Governmental approval of a technology is not necessarily sufficient to render it of proven benefit or appropriate or effective for a particular diagnosis or treatment of the particular condition as provided in this subsection. The plan shall apply the following five (5) criteria in determining whether services or supplies are experimental or investigational:

- *(a) Any medical device, drug, or biological product shall have received final approval to market by the United States Food and Drug Administration (FDA) for the particular diagnosis or condition. Any other approval granted as an interim step in the FDA regulatory process, such as an investigational device exemption or an investigational new drug exemption, is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of the medical device, drug, or biological product for another diagnosis or condition requires that one (1) or more of the following established reference compendia: the American Medical Association Drug Evaluations, the American Hospital Formulary Service Drug Information, or the United States Pharmacopeia Drug Information, recognize the usage as appropriate medical treatment. As an alternative to this recognition in one (1) or more of the compendia, the usage of the drug shall be recognized as appropriate if it is recommended by a clinical study and recommended by a review article in a major peer-reviewed professional journal. A medical device, drug, or biological product that meets the tests in this paragraph shall not be considered experimental or investigational. Any drug that the FDA has determined to be contraindicated for the specific treatment for which the drug has been prescribed shall be considered experimental or investigational;*
- *(b) Conclusive evidence from the published peer-review medical literature shall exist that the technology has a definite positive effect on health outcome; this evidence shall include well-designed investigations that have been reproduced by nonaffiliated authoritative sources, with measurable results, backed up by the positive endorsements of national medical bodies or panels regarding scientific efficacy and rationale;*

(1) Sections 13 to 22 of this Act may be referred to as the Kentucky Guaranteed Issue Funding Program.

(2) There is hereby created the Kentucky Guaranteed Issue Funding Program, which shall be operational on or before January 1, 1998. For purposes of Sections 13 to 22 of this Act, "program" means the Kentucky Guaranteed Issue Funding Program.

(3) The General Assembly finds that the guaranteed issue provisions created by this subtitle will provide access to health insurance to residents of Kentucky at costs that, in particular cases, will be substantially above the premiums that individuals will pay for coverage. The Kentucky Guaranteed Issue Funding Program is created to:

(a) Encourage private insurers to participate in the individual market by establishing a means to allocate the losses that insurers issuing coverage in the individual market incur with respect to policies defined as high-cost policies in Section 14 of this Act;

(b) Provide a mechanism for persons with a high-cost condition to maintain access to coverage in the private insurance market by means of the allocation process in paragraph (a) of this subsection; and

(c) Provide a safety net of insurance coverage to persons with a high-cost condition in areas of Kentucky where alternatives for individual coverage are restricted or unavailable as defined in Section 17 of this Act.

(4) The Kentucky Guaranteed Issue Funding Program is also designed for the purpose of implementing an acceptable alternative mechanism within the meaning of 42 U.S.C. sec. 300gg-44(a)(1) so that Kentucky may preserve the flexibility over the regulation of health insurance coverage allowed by federal law.

(5) All insurers, reinsurers, and self-insured employer-controlled or bona fide associations, as a condition of doing business in Kentucky, shall participate in the Kentucky Guaranteed Issue Funding Program and be subject to an assessment.

(6) As a condition of doing business in the Commonwealth of Kentucky, all insurers writing health insurance policies and plans in this state shall:

(a) 1. Support the program by paying an assessment as defined in Section 14 of this Act; or

2. Participate in the program by insuring individuals with high-cost conditions; and

(b) Pay their proportionate share of the cost of the program based on their market share, as set forth in Section 14 of this Act.

(7) During the transition from the effective date of this Act until the date the program begins issuing coverage, the commissioner shall act on behalf of the program.

SECTION 14. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(4) "Assessment" means the following:

(a) With respect to an insurer, an amount calculated by subtracting an insurer's allocated high-cost policy losses from the insurer's actual high-cost policy losses. If the amount calculated is greater than zero, it shall be treated as a refund; and

(b) With respect to a reinsurer, the amount assessed under Section 21 of this Act.

(5) "Benefits" means amounts paid by an insurer to covered lives or to third parties for the benefit of covered lives. "Benefits" does not include an insurer's administrative costs, allocated loss adjustment expenses, reserve, or other overhead costs.

(c) Such other definition as the commissioner may by administrative regulation reasonably establish.

(8) "First issuance" means the date a person first became eligible for benefits under a health insurance policy.

(9) "Group market" means the health insurance market under which individuals obtain health insurance coverage, directly or through any arrangement, on behalf of themselves and their dependents through a group health plan or through any arrangement other than through the individual market.

(2) The commissioner shall, by administrative regulation, establish a list of high-cost conditions based on diagnosis and severity. At the request of an insurer, the commissioner shall hold a hearing to determine whether or not a condition should be listed.

SECTION 16. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) All health insurers may elect to participate in providing health insurance coverage to individuals with a high-cost condition under the Kentucky Guaranteed Issue Funding Program under the following conditions:

High-cost policies that are enrolled with a carrier on the effective date of this Act and health insurance policies that were not high cost at the time of first issuance, but that become high-risk policies, may be counted toward the enrollment cap of a participating carrier.

(2) The commissioner shall publicize a monthly list of participating carriers that offer coverage to individuals with a high-cost condition.

(3) A health insurance policy shall be considered a high-cost policy and is eligible for inclusion in calculating assessments and refunds under the program if it meets all of the following criteria:

(f) The individual is not a state employee eligible for or covered by the state employee health insurance plan under KRS Chapter 18A; and

(g) Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this subsection even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year.

Initially, one (1) plan shall be the standard high plan in effect on the effective date of this Act, except that it shall contain a lifetime limit of one million dollars ($1,000,000) per covered individual. Health benefit plans shall be offered with high and low cost-sharing options. Both plans shall include utilization review and case management.

(a) No pre-existing condition exclusion under the Kentucky Safety Net portion of the program shall be applied to individuals who have eighteen (18) months of creditable coverage with no more than sixty-three (63) days' lapse in coverage prior to application in the program.

(b) A twelve (12) month pre-existing condition exclusion shall be imposed with a credit for prior coverage on individuals who do not meet the requirements of paragraph (a) of this subsection.

(5) Rates for health insurance coverage issued under the Kentucky Safety Net portion of the program shall initially not exceed one hundred fifty percent (150%) of the average statewide rate in the commercial individual market for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(6) Net losses of the Safety Net portion of the program shall be included in the total losses of the program and shall be reimbursed from assessments.

(i) Appoint or hire appropriate legal, actuarial, and other professionals as necessary to provide technical assistance in the operation of the Safety Net portion of the program;

(j) Provide for and employ cost containment measures and requirements including, but not limited to, preadmission screening, second surgical opinion, concurrent utilization review, and individual case management for the purpose of making the benefit plans more cost-effective; and

(k) Design, utilize, contract, or otherwise arrange for the delivery of cost-effective health care services.

(8) After April 14, 2000, this section shall become null and void.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For a health insurance policy that is a high-cost policy at the time of first issuance, an insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the maximum annual premium that the insurer could charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(2) (a) If a health insurance policy that was not a high-cost policy at the time of first issuance thereafter becomes a high-cost policy, the insurer may not increase the premium on account of the health insurance policy becoming a high-cost policy until the date of first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition. Nothing in this subsection shall prohibit an increase in premiums that could be imposed on an equivalent health insurance policy that was not a high-cost policy. At the time of the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) At the time of each subsequent renewal after the first renewal of the health insurance policy after the date on which high-cost policy claims are paid under the policy for a high-cost condition, the insurer may charge an annual premium of up to one hundred and fifty percent (150%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(3) If an individual was not without health insurance coverage for more than sixty-three (63) days immediately preceding the purchase of a high-cost health insurance policy that is eligible under the program, the insurer may charge an annual premium of up to one hundred and twenty-five percent (125%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy. At the time of each subsequent renewal of the high-cost health insurance policy, the insurer may charge an annual premium as allowed under subsection (1) of this section.

(4) (a) Notwithstanding the provisions of subsections (1, (2), and (3) of this section, the commissioner may, for good cause shown, authorize increasing the annual premium on a high-cost policy up to two hundred percent (200%) of the annual premium that the insurer would then charge for an identical health insurance policy with identical benefits issued to the same policyholder but assuming no individual entitled to benefits under the health insurance policy had been diagnosed or treated with a high-cost condition for which benefits are payable under the policy.

(b) Rates for health benefit plans issued by the program shall not exceed two hundred percent (200%) of the average standard rate for similar coverage.

(c) All rates for health benefit plans issued by the program shall be filed with and approved by the commissioner.

SECTION 19. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For each calendar year that the program is operating, every insurer shall report to the commissioner and the program, in the form and at the time as the commissioner by administrative regulation may specify, the following information for that year:

(b) The number of high-cost policies in force as of December 31;

(c) The amount of the insurer's high-cost policy premiums received during the calendar year covered by the report;

(d) The amount of the insurer's high-cost policy claims paid during the calendar year covered by the report; and

(e) Such other information as the commissioner may, by administrative regulation, require be reported to operate the program.

Nothing contained in this subsection shall prohibit the commissioner from conducting examinations of insurers participating in the plan as is permitted by KRS 304.2-100 or from exercising other powers as are conferred upon the commissioner or the department by this chapter.

(2) At the end of each calendar year, and based upon the reports filed under subsection (1) of this section, the commissioner shall calculate and provide to each insurer who filed a report the following information relating to the calendar year:

(a) The amount of each reporting insurer's market share;

(b) The total amount of high-cost policy premiums for all reporting insurers;

(c) The total amount of high-cost policy claims paid by all reporting insurers;

(d) The total amount of total actual high-cost policy losses;

(e) The amount of the adjusted total actual high-cost policy losses;

(f) The amount of each insurer's allocated high-cost policy losses;

(g) The amount of the insurer's assessment or refund; and

(h) Such other information as the commissioner may elect to calculate and report.

The commissioner shall complete the calculation and provide each insurer the results of the calculation within forty-five (45) days after the reporting deadline.

(3) The commissioner shall prepare quarterly estimated calculations for the purposes of allowing all insurers to budget for their annual assessments and refunds.

SECTION 20. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, the commissioner shall, by administrative regulation promulgated within ninety (90) days of the effective date of this Act, require that high-cost policies contain cost containment features, including managed care and utilization management, to control the amount of high-cost policy losses without creating adverse health care outcomes. If the commissioner fails to timely promulgate administrative regulations, health insurance issuers shall impose cost containment features.

(2) The Health Insurance Advisory Council shall no less than annually review the list of high-cost conditions established by the commissioner under subsection (12) of Section 14 of this Act and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes the commissioner deems appropriate. In making recommendations the council, and in making changes the commissioner, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.

(3) For each calendar year that the program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

SECTION 21. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Each reinsurer shall pay an annual assessment to the program in an amount that is equal to two dollars ($2) upon each one hundred dollars ($100) of reinsurance premiums.

The moneys in the trust shall be held separate and apart from any other funds or moneys of any insurer and of the state and shall be used and administered exclusively for the purposes of the program. Withdrawals from the trust shall be made solely for:

(a) Payments of refunds;

(b) Payments of overpayments made by an insurer;

(c) Payments of administrative costs for the administration of the trust, as specified in the trust agreement, but not to exceed the extent of earnings on the prudent investment of the assets of the trust; and

(5) A refund may be only paid by the depository trustee upon receipt of a written instruction to pay a refund signed by the commissioner or the commissioner's designee, and the depository trustee shall promptly pay a refund upon receipt of a proper instruction. The commissioner shall instruct the depository trustee to make a required refund no later than forty-five (45) days after written notice to the insurer of the commissioner's calculation. All refunds shall be paid in lawful money of the United States and shall accrue interest on and after the due date at four percent (4%) in excess of the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District in which Frankfort, Kentucky, is located.

Any excess, less any necessary reserves for the operation of the program as certified by the

depository trustee, shall be refunded to all insurers who participated in the program for the entire fiscal year in proportion to their market share at the end of the prior year.

(7) Except for records that individually or in the aggregate would or could likely disclose information about the physical or mental condition of an individual, the records of the trust and its operation shall be considered public records for purposes of the Kentucky Open Records Law, KRS 61.870 to 61.884.

This distinguished body joins Representative E. Porter Hatcher, Jr. in paying tribute to Lyman T. Johnson--civil rights activist, educator, emancipator, visionary; a legend in his own time. This native of Columbia, Tennessee, grandson of four slaves, earned a bachelor's degree from Virginia Union University in Richmond, Virginia and a master's degree from the University of Michigan. After serving in the Navy, he came to Louisville, Kentucky in 1933 as a teacher at Central High School. In 1936, Lyman T. Johnson married Marries Juanita Morrell. To this union was born a daughter, Yvonne, and a son, Lyman Morrell. Mr. Johnson was very active in the Louisville Branch NAACP, serving two terms as president and agreed to be the plaintiff in a 1964 lawsuit that opened the University of Kentucky to black students. Lyman T. Johnson was a leader/activist in various human rights struggles in Louisville, working for public school desegregation, open housing, public accommodation, and against the resegregation of public schools. This strong, independent man possessed the ability to disagree without loss of respect, abided by democratic principals and was persistent in pursuing the actions he believed to be in the best interest of the black community. On this day, we pay homage to a man to whom we all owe a debt of gratitude. Both the state of Kentucky and this great nation are better because Mr. Johnson came this way. **Legislative Citation No. 26** was adopted without objection.

The House of Representatives of the Commonwealth of Kentucky hereby offers its sincere congratulations to Representative William U. Scott as he celebrates his 50th birthday on October 16, 1997. This august body joins with Representative Barbara White Colter in extending heartfelt birthday greetings to our respected colleague who, "as much as he loves Mountain Dew, has always brought his own." Representative Scott brings to his membership in this esteemed body many valuable attributes he acquired early in life. A 1965 graduate of Lebanon High School and active in athletics, he was described as "one of those always giving 110%." He was co-captain of the football team and a member of the track team. When he graduated from Eastern Kentucky University in 1969, he ranked third among 1,304 students in the ROTC. His noteworthy ability to remain calm under pressure has been attributed to his experience in the U.S. Marine Corps where he was Commanding Officer of an artillery battery in the Vietnam War. As a Marine, he was also selected to attend nuclear weapons school in San Diego, California, where he earned top secret clearance. Representative Scott is a recipient of both the Young Farmer of the Year Award from the Lebanon Jaycees, as well as the Logger of the Year Award from the Kentucky Forestry Service. In recognition of his accomplishments in the first fifty years of his life, the entire membership is pleased to join together to extend to him our sincere congratulations and very best wishes. **Legislative Citation No. 32** was adopted without objection.

Arnold, Crall, Bruce, Walton, Curd, Treesh, Baugh, Reinhardt, Cox, Turner, and Stine: A RESOLUTION opposing the Biosphere Reserves designation of the Man and the Biosphere Program and urging that the proposed Biodiversity Treaty not be ratified by the United States.

Representative P. Clark moved the adoption of the following **HR 18**:

HR 18, A RESOLUTION opposing the Biosphere Reserves designation of the Man and the Biosphere Program and urging that the proposed Biodiversity Treaty not be ratified by the United States.

WHEREAS, the United Nations has promoted a Biosphere Program throughout the world; and

WHEREAS, the Biosphere Program threatens to place millions of acres of land under the control of United Nations via agreements and/or executive orders; and

WHEREAS, the United Nations Educational, Scientific and Cultural Organization (UNESCO) has created a worldwide system of 337 Biosphere Reserves in 85 nations; and

WHEREAS, 47 United Nations-designated Biosphere Reserves are within the sovereign borders of the United States, and two United Nations-designated Biosphere Reserves are within the Commonwealth of Kentucky; and

WHEREAS, neither the General Assembly of the Commonwealth of Kentucky nor the Congress of the United States has considered, debated, or approved such designations; and

WHEREAS, such designations require strict land use management procedures as are set forth in the 1994 Strategic Plan for the United States Man and the Biosphere Program, as published by the United States State Department, and further described in the Global Biodiversity Assessment, published by the United Nations Environment Program, expressly for the Conferences of the Parties to the Convention on Biological Diversity; and

WHEREAS, Biosphere Reserves are, by definition, designed to continually expand each of the three zones: core protected zone, buffer zone, and zone of cooperation; and

WHEREAS, Biosphere Reserves are expected to be the nucleus of the system of protected areas required by Article 8 of the Convention on Biological Diversity as expressed in the minutes of the first meeting of the Conference of the Parties; and

WHEREAS, no landowner within reach or potential reach of the Biosphere Reserves has input or recourse to land use management policies of UNESCO or the Conference of the Parties to the Convention on Biological Diversity; and

WHEREAS, no body of elected officials, whether local, state, or federal, has input, recourse, or veto power over such land use management policies that may be prescribed by either UNESCO or the Conference of the Parties to the Convention on Biological Diversity; and

WHEREAS, even though the Convention on Biological Diversity has not been ratified by the United States Senate, the very presence of United Nations Biosphere Reserves on American soil demonstrates the compliance with an international treaty that has not been ratified; and

WHEREAS, the use of land in biosphere areas for ordinary commercial or agriculture purposes may be severely restricted or eliminated; and

WHEREAS, the Mammoth Cave area and the Land Between the Lakes area have already been designated as Biosphere Reserves; and

WHEREAS, none of the current areas included within the Biosphere Program in Kentucky have been included at the request of or with the consent of the General Assembly of the Commonwealth of Kentucky; and

WHEREAS, the General Assembly does not believe that a request from the National Park Service or a tourist and convention service should be adequate to subject land in Kentucky to the control of the United Nations or any other foreign parties; and

WHEREAS, the areas encompassed by these reserves include not only public, but private, lands; and

WHEREAS, the placing of environmental or other restrictions upon the use of private lands has been held by a number of recent United States Supreme Court decisions to constitute a taking of the land for public purposes; and

WHEREAS, the proposed Biodiversity Treaty, if ratified by the United States, would ultimately lead to the reality that Kentuckians could not use their private and public lands in the manner to which they have been accustomed; and

WHEREAS, there are no proposals to purchase the private lands by either the United States or the United Nations; and

WHEREAS, the restrictions contemplated together with the outside control of the land encompassed by a Biosphere Reserve constitutes an unlawful taking of that land in violation of the Constitution of the United States, to wit:

Article I, Section 8, Clause 17, before any state lands can be purchased, the consent of the state legislature and not the state executive branch, must be obtained.

Article IV, Section 3, Clause 2, we note that, "[N]othing in this Constitution shall be so construed as to Prejudice any Claims of the United States, or of any particular State."

Article IV, Section 4, we note that, "The United States shall guarantee to every State in this Union a Republican Form of Government."

Amendment V of the Constitution of the United States, "nor [shall any person] be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation."; and

WHEREAS, the virtual ceding of these lands to the United Nations leaves the residents who own the land, local governments, and the Commonwealth of Kentucky without any legitimate form for redress of grievances for input into any decision-making process relating to the Biosphere Reserve; and

WHEREAS, under Article VI of the Constitution of the United States, this treaty would be given equal footing with the Constitution of the United States, thus effectively precluding any legal means of redress; and

WHEREAS, the General Assembly of the Commonwealth of Kentucky does not wish to have portions of its land area controlled by foreign minions over which it has no control and that are not subject to its laws;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. The General Assembly of the Commonwealth of Kentucky is unalterably opposed to the inclusion of any land within the borders of the Commonwealth within the purview of the Biodiversity Treaty or any biodiversity program without the express consent of the General Assembly of the Commonwealth of Kentucky, as provided by the Constitution of the United States and the Constitution of Kentucky.

Section 2. The General Assembly urges the members of the Congress of the United States, and especially the Kentucky delegation to the Congress of the United States, to oppose ratification of this treaty and the inclusion of any land within the Commonwealth of Kentucky in any biosphere program of the United Nations.

Section 3. The Clerk of the House of Representatives is hereby directed to transmit copies of this Resolution to the Honorable Bill Clinton, President, 1600 Pennsylvania Avenue, Washington, D.C. 20500; the Honorable Madeleine K. Albright, 2201 "C" Street, N.W., Washington, D.C. 20520; the Honorable Wendell H.
